Real examples. Real companies. Real business decisions. Covering the core economics principles and providing engaging, relevant examples within just nineteen Chapters, Hubbard Essentials of Economics is the perfect teaching and learning resource for a one semester unit. The authors present economics as a dynamic, relevant discipline for Australasian students. The key questions students of first year economics ask themselves are: "Why am I here?" and "Will I ever use this?" Hubbard Essentials of Economics answers these questions by demonstrating that real businesses use economics to make real decisions every day. Each chapter of the text opens with a case study featuring a real business or real business situation, refers to the study throughout the Chapter, and concludes with An Inside Look—a news article format which illustrates how a key principle covered in the Chapter relates to real business situations or was used by a real company to make a real business decision.

This text is an unbound, three hole punched version. Access to WileyPLUS sold separately. Economics of Strategy, Binder Ready Version focuses on the key economic concepts students must master in order to develop a sound business strategy. Ideal for undergraduate managerial economics and business strategy courses, Economics of Strategy offers a careful yet accessible translation of advanced economic concepts to practical problems facing business managers. Armed with general principles, today's students--tomorrow's future managers--will be prepared to adjust their firms business strategies to the demands of the ever-changing environment.

As with its sister publication, Exploring Macroeconomics offers students a lively, back-to-the-basics approach designed to take the intimidation out of economics. The text is unique in the market in that it uses a modular format: each chapter is broken into bite-sized Sections. These short, self-contained learning units and carefully chosen pedagogy, graphs, and photos aid in mastery and retention of economic principles.
