From Wakefield Towton by Philip A. Haigh - free mobi epub ebooks download ... The Lancasterian army, as at Wakefield the previous December, was once again placed under the command of the 24 year old Duke of Somerset, Henry Beaufort, but again, as at Wakefield, the actual tactical decisions were no doubt left to Sir Andrew Trollope whose control ...

From Wakefield Towton by Philip A. Haigh - free ebooks...

Richard III has come to be the most famous figure to emerge from Britain's War of the Roses, largely due to the play by William Shakespeare, but this 30-year conflict (1455-1485) had a large cast of heroes and villains, and saw the biggest and fiercest battles ever fought on English soil. This new book in the format of the popular Battleground Europe series concentrates on two major battles ...

Wakefield to Towton. Chivalry dies on the fields of blood. After the king was captured at Northampton it fell to the Queen and Henry Beaufort, 3rd Duke of Somerset, to prepare a new strength of arms. Margaret chartered a ship and took refuge at Scotland's court. There she began raising an army from her northern!

Wakefield to Towton. Chivalry dies on the fields of blood...

The Battle of Towton was fought on 29 March 1461 during the English Wars of the Roses, near the village of Towton in Yorkshire.It was "probably the largest and bloodiest battle ever fought on English soil". An estimated 50,000 soldiers fought for hours amidst a snowstorm on that day, which was Palm Sunday.It brought about a change of monarchs in England, with Edward IV displacing Henry VI ...

The Wars of the Roses was a complicated, bloody affair between the houses of Lancaster and York, and witnessed much changing of sides. That disjointed feuding persisted for a staggering thirty years and was a north versus south affair. However, the period and conflicts covered by this title are refreshingly clear. An intriguing tale of treachery and deceit.

A very readable work of reference offering a survey in chronological order, from AD 84 to 1746, of the major battles which have taken place on British soil, from the Roman occupation to Culloden, the last battle fought on British soil. In this way, the book can be read as a continuous narrative, while each entry also stands alone as a self-contained guide. The battles are grouped into relevant sections (such as the Wars of the Roses, the English Civil Wars and the Jacobite Rebellions), within broader historical periods. Each period is prefaced by a presentation of the nature of warfare and is enhanced by a feature article of specialist interest. Every entry includes a narrative of events leading up to the battle, a vivid description of the battle itself and an assessment of the long and short-term, consequences. In addition, there is useful information for visits, including precise identification of the location, details of access to and features of each site. The book is illustrated throughout with maps and a plate section.

Yorkshire's past is replete with bloody battles and sieges. From the earliest times armies have marched across the Yorkshire countryside and have fought for control of the land, the towns and the cities. Roman, Viking, Norman and the Scottish invaders have all contributed ruthless episodes to the story. Christian fought pagan, Englishman fought foreign invader, and loyalist fought rebel, in some of the most destructive battles of British history. And bitter internal conflicts, which set neighbour against neighbour, created an equally violent heritage as rival lords and landowners contended for power and influence in the north. David Cooke gives a vivid description of the outbreaks of warfare that have punctuated the county's history. Using graphic contemporary accounts and numerous illustrations and maps, he creates a vivid narrative of a county that was a battleground until modern times.

The Wars of the Roses (c. 1455-1487) are renowned as an infamously savage and tangled slice of English history. A bloody thirty-year struggle between the dynastic houses of Lancaster and York, they embraced localised vendettas (such as the bitter northern feud between the Percies and Nevilles) as well as the formal clash of royalist and rebel armies at St Albans, Ludford Bridge, Mortimer's Cross, Towton, Tewkesbury and finally Bosworth, when the usurping Yorkist king, Richard III, was crushed by Henry Tudor. Powerful personalities dominate the period: the charismatic and enigmatic Richard III, immortalized by Shakespeare; the slippery Warwick, the 'Kingmaker', who finally over-reached ambition to be cut down at the Battle of Barnet; and guileful women like Elizabeth Woodville and Margaret of Anjou, who for a time ruled the kingdom in her husband's stead. David Grummitt places the violent events of this complex time in the wider context of fifteenth-century kingship and the development of English political culture.Never losing sight of the traumatic impact of war on the lives of those who either fought in or were touched by battle, this captivating new history will make compelling reading for students of the late medieval period and Tudor England, as well as for general readers.

This 1906 biography of England's last Plantagenet king was among the first and most important Ricardian apologias for a general readership.
