America's sweetheart, impassioned lifelong animal welfare advocate, and New York Times bestselling author Betty White shares intimate, funny, and enlightening stories about her very best friends in the world... All her life, Betty White has had a menagerie of pets, many of them rescued, and has donated countless hours and resources to animal welfare. Animals are her passion, and that passion extends to zoos and their importance for the conservation of species and for offering humans the ability to witness the grandeur and variety of these magnificent animals from around the world. Betty & Friends is a love letter to those zoos, to their dedicated workers, and especially to the animals in them—from Gita the elephant, whom Betty used to take for walks; to Bruno the orangutan, who flaunts his affections for Betty; to Jacob the boa, who loves a good hug. Gaining access to this majestic world through Betty ' s eyes and her inimitable words is a beautiful thing indeed for animal lovers and Betty White lovers of all ages. INCLUDES GORGEOUS FULL-COLOR PHOTOGRAPHS

A " eye-opening, gritty, and compelling " memoir by one of New York City ' s last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her " ribald . . . memorable and highly relevant " (The Daily Beast) reflection is " both a eulogy and a paean to the freaks and misfits who have long given their souls to the city " (Matthew Gallaway, author of The Metropolis Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it ' s a " sharp, sweetly personal . . . fascinating and honest " narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

Welcome To Bliss, the Bridal Capital of the Midwest! Single mom Natalie Castellano isn't feeling so blissful these days... Natalie's made a career out of screwing up all over her hometown. But it's redemption time, and she's putting on her big girl panties to make sure this year's bridal festival goes off without a hitch. Even if it means she has to play nice with the man who broke her fairy tale. She's definitely not the one for him. Or is she... World adventurer and reluctant local hero CJ Blue doesn't want to be in Bliss anymore than Natalie wants him here. But family obligations have brought him back, and now, and now he's somehow been roped into saving the town tradition he'd rather forget with the woman whose kiss he can't forget. She frustrates him and drives him nuts but he's had more fun giving her a hard time about the bridal festival than he has in years. And their fun is just starting... Despite their rocky past, these two wounded souls have more in common than they expect. They've both loved and lost, they've both tried to move on, and now they've both been banned from the local church confessional after...well, they're not supposed to talk about it. But by joining forces for the sake of Bliss, they might find the courage and the sparks to risk love one more time.
