- The only program that supports the Common Core State Standards throughout four-years of high school mathematics with an unmatched depth of resources and adaptive technology that helps you differentiate instruction for every student. * Connects students to math content with print, digital and interactive resources. * Prepares students to meet the rigorous Common Core Standards with aligned content and focus on Standards of Mathematical Practice. * Meets the needs of every student with resources that enable you to tailor your instruction at the classroom and individual level. * Assesses student mastery and achievement with dynamic, digital assessment and reporting. Includes Print Student Edition

One Program, All Learners Flexibility - Print and digital resources for your classroom today and tomorrow - Appropriate for students who are approaching, on or beyond grade level Differentiation - Integrated differentiated instruction support that includes Response to Intervention (RtI) strategies - A complete assessment system that monitors student progress from diagnosis to mastery - More in-depth and rigorous mathematics, yet meets the needs of all students 21st Century Success - Preparation for student success beyond high school in college or at work - Problems and activities that use handheld technology, including the TI-84 and the TI-Nspire - A wealth of digital resources such as eStudent Edition, eTeacher Edition, animations, tutorials, virtual manipulatives and assessments right at your fingertips Includes print student edition

From the first day your students begin to learn the vocabulary of algebra until the day they take final exams and standardized tests, these programs strengthen student understanding and provide the tools students need to succeed.

Glencoe Algebra 2 is a key program in our vertically aligned high school mathematics series developed to help all students achieve a better understanding of mathematics and improve their mathematics scores on today s high-stakes assessments. Help all students become better problem solvers with our unique approach to interweaving skills, concepts, and word problems in the Get Ready for the Chapter, in Study Guide and Review, and throughout the Exercises. Provide students with more personal assistance in understanding key examples with Personal Tutor a virtual teacher available in every lesson. Use Concepts in Motion animations and labs to visually and dynamically demonstrate mathematical content. References to the Concepts in Motion features in the Student Edition are readily accessible online at glencoe.com, on Interactive Classroom, and on StudentWorks Plus. Prepare students for standardized tests with questions that are aligned in format, content, and design to those found on today s high-stakes assessments. Help students organize their notes and prepare for tests with Glencoe s exclusive Foldables™ study organizers.

High school algebra, grades 9-12.
