Here is an invitation to embark on a journey of discovery that marshals our imagination and emotions, our intellect and will. God the Workerseeks to answer the ultimate questions: - What is God really like? - Can we know God intimately? - Where do we fit into the overall scheme of things? In his quest for answers, Robert Banks opens up the world of the Bible and everyday life as he explores dynamic images of God at work: as composer and performer, as metalworker and potter, as garmentmaker and dresser, as gardener and orchardist, as farmer and winemaker, as shepherd and pastoralist, as tentmaker and camper, as builder and architect. He shows how, through the language and idea of work, the divine hand is revealed. This book offers us the opportunity to encounter God in a way that is mind-expanding, life-changing, work-transforming--taking us to the very edges of human understanding. The author sees the Bible as a guidebook and source of insight that is completely fresh, but paradoxically as old as the book itself.

Finding God in Silicon Valley tells how God is working in the lives of people in Silicon Valley--venture capitalists, entrepreneurs, leaders of major companies, innovators in non-profit start-ups, scientists, and technologists. You will be inspired and challenged as you read the very personal stories of their journeys.The book provides lessons for anyone who has struggled with faith issues. You will read how these leaders got beyond the trappings of financial and business success to find God. How they overcame personal struggle and even tragedy to come to know Christ. How they reconciled faith and reason and the compatibility of faith and science. And how they discovered meaning, purpose, and a calling for their lives.

Here is an invitation to embark on a journey of discovery that marshals our imagination and emotions, our intellect and will. God the Worker seeks to answer the ultimate questions: - What is God really like? - Can we know God intimately? - Where do we fit into the overall scheme of things? The author sees the Bible as a guidebook and source of insight that is completely fresh, but paradoxically as old as the book itself.

Do you want to believe in miracles? There will be no doubt in your mind after reading the testimonies of people worldwide who have experienced healing and revival through the grace and mercy of God. YOU can too! Author Todd Bentley was dramatically delivered as a teenager from a life of alcohol, drugs, prison, and the occult, launching him by the Holy Spirit into a worldwide ministry. He is a prophetic signpost of what God wants to do with millions of others. As an evangelist and revivalist operating in a fresh prophetic and miracle-healing anointing, the author has witnessed God heal hundreds of people who were: Diseased with cancer, blind addicted to drugs, addicted to alcohol and tobacco, and in bondage to satan s evil. The Journey into the Miraculous will strengthen and encourage all who seek to believe in the God who performs miracles every day, for every one.

In Love Mercy: A Mother and Daughter's Journey from the American Dream to the Kingdom of God, having lived a life of plenty in suburban America, Lisa Samson and her eighteen-year-old daughter, Ty, thought they were traveling to Africa to minister to the people and chronicle the AIDS crisis devastating the continent. Their trip, they assumed, would be missional, merciful, giving. Instead, they experienced a life-changing, soul-rattling journey. As mother and daughter are confronted with incidents of child prostitution, preventable illness, poverty, oppression, abuse, and death so prevalent it leaves no time to mourn ... their journey takes a decidedly different tack. Love Mercy confronts us directly with the AIDS crisis in Africa—in particular Swaziland, which has the highest AIDS rate in the world and where the average life expectancy is thirty-two years of age. Offering two unique perspectives, Lisa and Ty share the questions they encountered on their journey and tell the stories of those they met along the way—from the children themselves, to adult AIDS victims, to the compassionate mercy-givers who seek every day to alleviate their suffering. Smiles in a place of aching sadness. Mercy in a place of heart-wrenching poverty. Two people transformed by God in ways, and places, they never expected, discovering that even in a land riddled with heartache ... Christ's love and redemption are ablaze. This Love Mercy Ebook download is designed to be read on a personal computer, smart phone, or other dedicated Ebook hardware device.

A fully developed biblical perspective of work and leisure finds the holistic balance missing from today in Puritan enjoyment of both as important to life.

In this provocative book, Stevens writes the clergy-laity division has no basis in the New Testament and challenges all Christians to rediscover what it means to live daily as God's people. Exploring the theological, structural and cultural reasons for treating laypeople as the objects of ministry, Stevens argues against the idea of clericalism and in favor of equipping people for ministry in their homes, workplaces and neighborhoods.

Most Christians spend most of their waking hours working, yet many regard work as at best a necessary evil just one more unfortunate by-product of humanity s fall from grace. Not so, says Ben Witherington III, and in Work: A Kingdom Perspective on Labor, he considers work as neither the curse nor the cure of human life but, rather, as something good that God has given us to do. In this brief primer on the biblical theology and ethics of work, Witherington carefully unpacks the concept of work, considering its relationship to rest, play, worship, the normal cycle of human life, and the coming Kingdom of God. Work as calling, work as ministry, work as a way to make a living, and the notably unbiblical notion of retirement Witherington s Work engages these subjects and more, combining scholarly acumen with good humor, common sense, cultural awareness, and biblically based insights from Genesis to Revelation. Ben Witherington has given the whole people of God something desperately needed to make sense of Monday to Friday a theology of work that breaks down the heretical sacred-secular distinction. . . . Offers a work-view and life-view that, if embraced, would revitalize the mission of God s people in the world. It s that good. R. Paul Stevens author of The Other Six Days and Taking Your Soul to Work Conducting a critical dialogue with the theological voices of our day, drawing upon the wisdom of the Christian tradition, and offering a sensitive reading of New Testament parables, Witherington delivers sound counsel on the Kingdom meaning of work and its implications for our lives today. Lee Hardy author of The Fabric of This World

These days, people talk about their schedules filling up 24/7—twenty-four hours a day, seven days a week. We wear busyness like a merit badge, as if the more we do, the better we become. But R. Paul Stevens says this is not biblical. Nor is it helpful. For Christians life isn't about checking off "to-do" lists. It's about connecting with God and infiltrating thoughtful, biblical faith

into our everyday lives. Sometimes that means activity, but sometimes not. Everyday spirituality—the subject of the book—embraces purposeful times of work, relationships, and rest, centered on God instead of personal or cultural expectations. But how can you do it? It's not easy exiting the fast track to practice a slowed-down yet down-to-earth holiness. Stevens understands this, and offers practical insights to developing a “subversive spirituality”—a meaningful faith that seeps into your work, family, sexuality, friendships, outreach, aloneness, and leisure—and fills you with joy. But most importantly, it motivates you to lovingly abide with God seven days a week. Matthew the Poor, an Eastern monk in Egypt, once said that “life is but one single way that leads to the kingdom of God.”
