Shot by a jealous husband, Charley falls out a porthole and is lost at sea only to find himself returned as an attractive blond woman. His best friend is staying at his house as he puts Charlie's affairs in order and after being convinced, finds himself an unwilling helper in Charlie's new plan to marry into money.

Goodbye Charlie (1964) - IMDb

Goodbye Charlie is a 1964 American comedy film directed by Vincente Minnelli and starring Debbie Reynolds and Tony Curtis. The film is about a callous womanizer who gets his just reward. It was adapted from George Axelrod 's 1959 play Goodbye, Charlie. The play provided the basis for the 1991 film Switch, with Ellen Barkin and Jimmy Smits.

Goodbye Charlie - Wikipedia

Comedic monologue from the play Goodbye Charles By Gabriel Davis (Monologist stands in front of her soon to be ex-husband) I ate them. That ' s right. I ate the divorce papers, Charles. I ate them with ketchup. And they were good...goood. You probably want me to get serious about our divorce. The thing is you always called our marriage a joke.

George Axelrod's Goodbye Charlie flopped on Broadway with Lauren Bacall in the lead, but fared a little better as a film vehicle for Debbie Reynolds.

Goodbye Charlie (1964) - Rotten Tomatoes

The Rev. Charles Reed always had a joke to tell and encouraging words for those who needed it. Reed spent more than 30 years ministering to the men and women of Cleveland County before his death on Wednesday, Oct. 28. He died 10-days after his 69th birthday.

One Act Play, Dark Comedy. Cast: 3 women, 2 men.Synopsis: Jill's husband Charles mysteriously disappears after she refuses to grant him a divorce. Concerned something has happened to her husband, Jill follows a string of clues to try and find out the secret Charles was keeping from her.

A farm boy meets his hero, Colonel Charles Lindbergh, when he lands his bi-plane in a field near Canton, Mississippi, in 1929.

Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Books by Madeleine L'Engle A Wrinkle in Time Quintet A Wrinkle in Time A Wind in the Door A Swiftly Tilting Planet Many Waters An Acceptable Time A Wrinkle in Time: The Graphic Novel by Madeleine L'Engle; adapted & illustrated by Hope Larson Intergalactic P.S. 3 by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of A Wrinkle in Time. The true story of a murderous mother and five innocent victims. With eight pages of photos Charles Hickey, Todd Lighty, and John O ' Brien bring the story of a mother not fit for the title. Waneta Hoyt ' s first baby died. Then her second. Then her third. Nobody, including her husband, suspected Waneta Hoyt—or stopped her from having more babies. Then her fourth baby died. Then her fifth. And the

famed medical expert declared they had died of sudden infant death syndrome and use them to support his theory that SIDS ran in families. One man, however, did not except the diagnosis. District Attorney Bill Fitzpatrick set out to expose the truth about a crime hard to imagine. To do so meant convicting a woman who had won the hearts of all. And just proving a doctor who had climbed to the top of his field with the help of little corpses. Brace yourself for a true story of motherhood, medicine, and murder you will remember every time you hear a baby crying.

Pulitzer Prize–winning author Anne Tyler gives us a wise, haunting, and deeply moving new novel about loss and recovery, pierced throughout with her humor, wisdom, and always penetrating look at human foibles. Crippled in his right arm and leg, Aaron grew up fending off a sister who constantly wanted to manage him. So when he meets Dorothy, an outspoken, independent young woman, she 's like a breath of fresh air. He marries her without hesitation, and they have a relatively happy, unremarkable marriage. Aaron works at his family 's vanity-publishing business, turning out titles that presume to guide beginners through the trials of life. But when a tree crashes into their house and Dorothy is killed, Aaron feels as though he has been erased forever. Only Dorothy 's unexpected appearances from the dead—in their house, on the roadway, in the market—help him to live in the moment and to find some peace. Gradually, Aaron discovers that maybe for this beginner there is indeed a way to say goodbye. “ Like a modern Jane Austen, Tyler creates small worlds [depicting] the intimate bonds of friendship and family. ” —USA Today “ An absolute charmer of a novel . . . With sparkling prose . . . [Anne] Tyler gets at the beating heart of what it means to lose someone, to say goodbye. ” —The Boston Globe “ Classic Tyler . . . The wonder of Anne Tyler is how consistently clear-eyed and truthful she remains about the nature of families and especially marriage. ” —Los Angeles Times “ Beautifully intricate . . . By the exquisitely romantic emotional climax [an] ordinary life has bloomed into an opera. ” —Entertainment Weekly

For more than twenty years, Charles Templeton was a major figure in the church in Canada and the United States. During the 1950s, he and Billy Graham were the two most successful exponents of mass evangelism in North America. Templeton spoke nightly to stadium crowds of up to thirty thousand people. However, increasing doubts about the validity of the Old Testament and the teachings of the Christian church finally brought about a crisis in his faith and in 1957 he resigned from the ministry. In Farewell to God, Templeton speaks out about his reasons for the abandonment of his faith. In straightforward language, Templeton deals with such subjects as the Creation fable, racial prejudice in the Bible, the identity of Jesus of Nazareth, Jesus ' alienation from his family, the second-class status of women in the church, the mystery of evil, the illusion that prayer works, why there is suffering and death, and the loss of faith in God. He concludes with a positive personal statement: “ I Believe. ”

All the hard questions about human action are about what to include in a story, what can be left out, and how to characterize what gets included. A narrative selects from all the world's motions which ones are part of or relevant to an act, and so narratives give us what narratives have already shaped: the relation is circular. Many narratives can be told of an act, not all consistent. Some features of human action: - events "off-stage" determine what's happening "on-stage"; - many actions ``pass through" motions in view; - an act can be changed after the fact; - action presupposes language; - what an act is can be highly ambiguous; - we judge acts (and narratives) because we have a stake in them.

From the New York Times bestselling author of Fifth Avenue, Five A.M. and Fosse comes the revelatory account of the making of a modern American masterpiece Chinatown is the Holy Grail of 1970s cinema. Its twist ending is the most notorious in American film and its closing line of dialogue the most haunting. Here for the first time is the incredible true story of its making. In Sam Wasson's telling, it becomes the defining story of the most colorful characters in the most colorful period of Hollywood history. Here is Jack Nicholson at the height of his powers, as compelling a movie star as there has ever been, embarking on his great, doomed love affair with Anjelica Huston. Here is director Roman Polanski, both predator and prey, haunted by the savage death of his wife, returning to Los Angeles, the scene of the crime, where the seeds of his own self-destruction are quickly planted. Here is the fevered dealmaking of "The Kid" Robert Evans, the most consummate of producers. Here too is Robert Towne's fabled script, widely considered the greatest original screenplay ever written. Wasson for the first time peels off layers of myth to provide the true account of its creation. Looming over the story of this classic movie is the imminent eclipse of the '70s filmmaker-friendly studios as they gave way to the corporate Hollywood we know today. In telling that larger story, The Big Goodbye will take its place alongside classics like Easy Riders, Raging Bulls and The Devil's Candy as one of the great movie-world books ever written. Praise for Sam Wasson: "Wasson is a canny chronicler of old Hollywood and its outsize personalities...More than that, he understands that style matters, and, like his subjects, he has a flair for it." - The New Yorker "Sam Wasson is a fabulous social historian because he finds meaning in situations and stories that would otherwise be forgotten if he didn't sleuth them out, lovingly." - Hilton Als
