Covering every aspect of the music industry, this book makes a great idea for a music pub quiz night or just to test your friends musical knowledge.

From the National Book Award–winning author of *The Absolutely True Diary of a Part-Time Indian*, the tale of a troubled boy’s trip through history. Half Native American and half Irish, fifteen-year-old “Zits” has spent much of his short life alternately abused and ignored as an orphan and ward of the foster care system. Ever since his mother died, he’s felt alienated from everyone, but, thanks to the alcoholic father whom he’s never met, especially disconnected from other Indians. After he runs away from his latest foster home, he makes a new friend. Handsome, charismatic, and eloquent, Justice soon persuades Zits to unleash his pain and anger on the uncaring world. But picking up a gun leads Zits on an unexpected time-traveling journey through several violent moments in American history, experiencing life as an FBI agent during the civil rights movement, a mute Indian boy during the Battle of Little Bighorn, a nineteenth-century Indian tracker, and a modern-day airplane pilot. When Zits finally returns to his own body, “he begins to understand what it means to be the hero, the villain and the victim. . . . Mr. Alexie succeeds yet again with his ability to pierce to the heart of matters, leaving this reader with tears in her eyes” (*The New York Times Book Review*). Sherman Alexie’s acclaimed novels have turned a spotlight on the unique experiences of modern-day Native Americans, and here, the *New York Times*–bestselling author of *The Lone Ranger and Tonto Fistfight in Heaven* and *The Absolutely True Diary of a Part-Time Indian* takes a bold new turn, combining magical realism with his singular humor and insight. This ebook features an illustrated biography of Sherman Alexie including rare photos from the author’s personal collection.
