A dystopian future set underground brings to light the struggles that humanity will endure in order to survive. The variety of engaging activities can be easily broken up over several weeks to coordinate with assigned reading. Describe in detail the city of Ember, from how it looks to how it operates. Analyze the chapter titles and dissect what they could allude to. Explain what we as readers discover about Ember when Doon visits the library. Answer comprehension questions about events in the book surrounding Doon's investigation in the tunnels. Create your own list of instructions that have been damaged and have a partner decipher what they are for. Plot the important moments or points of action from the story in a Pipeline Timeline graphic organizer. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included.

About the Novel: The City of Ember tells the tale of a society living underground for hundreds of years and the two kids who must bring them into the light. Hundreds of years earlier, a group of people descended underground in hopes to save the human race from extinction. They had enough supplies and power to last them for over 200 years, at which point, instructions on how to return to the surface would be revealed. The only problem is, no one knows these instructions exist, and when they are revealed, they are destroyed. It's up to Lina and Doon to decipher the few clues they have, locate the way out, and get this news back to their people. But it's not that easy. In their attempts to find the way out, Lina and Doon stumble on a conspiracy that involves the Mayor and city guards. As such, they are now being hunted as fugitives. Their nearly impossible task just got harder. Now they must race against the clock to
