If you need the best practices and ideas for launching new ventures—but don't have time to find them—this book is for you. Here are nine inspiring and useful perspectives, all in one place. This collection of HBR articles will help you: • Zero in on your most promising prospects • Set a clear direction for your start-up • Test and revise your assumptions along the way • Tackle risks that could sabotage your efforts • Carve out opportunities in emerging markets • Launch a start-up within your company • Hand over the reins when it's time

Nine contributors share their perspectives on joining forces to solve tough problems.

Most organizations struggle with the question of leadership. How do you identify leaders in the making? How do you train them, taking into account their unique strengths and weaknesses? This collection of articles examines the ways in which managers and executives develop as leaders, and then helps readers apply successful tactics in real-life settings. Using innovative as well as time-honored approaches, Harvard Business Review on Developing Leaders guides readers through the challenges of leadership development.

If great talent is hard to find, it's even harder to keep. In today's competitive world, you need the best and the brightest on your team in order to stay ahead of the game. If you lose your key talent, you may find that you're also losing out on crucial business opportunities. This valuable collection offers insights and strategies to make sure you recognize - and retain - your company's vital talent. Each article in Harvard Business Review on Talent Management will give you the tools you need to help your most important people stay motivated, happy, and productive - and part of your company.
