The Messianic Music Series authored by the Talmidim was originally developed to help musicians arrange different parts for the various instruments used in each service and did include congregation lyrics, however it focused on the musician. Now the singers can sing along with the musicians without use of an over-head projector. Created to supplement the Messianic Song Book for Praise and Worship, is the accompanying Messianic Lyric Book, designed without musical notes or chords, especially for the congregation.

Messianic Musical Arrangements are provided in one complete manuscript. Each section of this manuscript is divided into four pages, one song per section, starting with the lead sheet. Next is the chord page, followed by a lyric page in poetic form with visuals that may be scanned for power point presentations or used in your overhead projector for the congregation to sing along with. There is transposition paper at the end of each section and a chart at the end of the book to help you transpose arrangements into the key of your choice. Songs included Adon ha Kavod, Shomreni, Hatikva, Chasdei Adonai, V'hitanag al Adonai, Awake o Yisrael, Avinu Malkenu, L'ma'an Tzion, Hevenu Shalom Aleichem, Kadosh, Hine Ma Tov, Sh'ma Yisrael and more.
