A selection of Hitchcock's writings and interviews, arranged in several thematic groupings."

This second volume of Alfred Hitchcock's reflections on his life and work and the art of cinema contains material long out of print, not easily accessible, and in some cases forgotten or unknown. Edited by Sidney Gottlieb, this new collection of interviews, articles with the great director's byline, and "as-told-to" pieces provides an enlivening perspective on a career that spanned seven decades and transformed the history of cinema. In writings and interviews imbued with the same exuberance and originality that he brought to his films, Hitchcock ranges from accounts of his own life and

experiences to provocative comments on filmmaking techniques and cinema in general. Wry, thoughtful, witty, and humorous—as well as brilliantly informative and insightful—this volume contains much valuable material that adds to our understanding and appreciation of a titan who decades after his death remains one of the most renowned and influential of all filmmakers. François Truffaut once said that Hitchcock "had given more thought to the potential of his art than any of his colleagues." This profound contemplation of his art is superbly captured in the pieces from all periods of Hitchcock's career gathered in this volume, which reveal fascinating details about how he envisioned and attempted to create a "pure cinema" that was entertaining, commercially successful, and artistically ambitious and innovative in an environment that did not always support this lofty goal.

Gathered here for the first time are Alfred Hitchcock's reflections on his own life and work. In this ample selection of largely unknown and formerly inaccessible interviews and essays, Hitchcock provides an enlivening commentary on a career that spanned decades and transformed the history of the cinema. Bringing the same exuberance and originality to his writing as he did to his films, he ranges from accounts of his own life and experiences to techniques of filmmaking and ideas about cinema in general. Wry, thoughtful, witty, and humorous—as well as brilliantly informative—this selection reveals another side of the most renowned filmmaker of our time. Sidney Gottlieb not only presents some of Hitchcock's most important pieces, but also places them in their historical context and in the context of Hitchcock's

development as a director. He reflects on Hitchcock's complicated, often troubled, and continually evolving relationships with women, both on and off the set. Some of the topics Hitchcock touches upon are the differences between English and American attitudes toward murder, the importance of comedy in film, and the uses and techniques of lighting. There are also many anecdotes of life among the stars, reminiscences from the sets of some of the most successful and innovative films of this century, and incisive insights into working method, film history, and the role of film in society. Unlike some of the complex critical commentary that has emerged on his life and work, the director's own writing style is refreshingly straightforward and accessible. Throughout the collection, Hitchcock reveals a delight and curiosity about his medium that bring all his subjects to life.

Volume 1 Selected Writings And Interviews

Alfred Hitchcock's career spanned more than five decades, during which he directed more than 50 films, many of them indisputable classics: *Notorious*, *Strangers on a Train*, *Rear Window*, *Vertigo*, *North by Northwest*, and *Psycho*, among others. In *A Year of Hitchcock: 52 Weeks with the Master of Suspense*, authors Jim McDevitt and Eric San Juan provide a comprehensive examination of Hitchcock's film-to-film development, spanning from the beginning of his career in silents to his final film in 1976, including his work on two French propaganda shorts he directed during World War II and segments he directed for *Alfred Hitchcock Presents*. Organized into 52 chapters and arranged in chronological order, the book invites readers to spend a year with the director's most notable works, all of which are available on DVD. Each film is examined in

the context of Hitchcock's career, as the authors consider the themes central to his work; discuss each film's production; comment on the cast, script, and other aspects of the film; and assess the film's value to the Hitchcock viewer. From *The Lodger* to *Family Plot*, 68 works directed by Hitchcock are analyzed. Each analysis is supplemented by key film facts, trivia, awards, a guide to his cameos, a filmography, and a listing of available DVD releases. Whether readers decide to undertake the journey through his films one week at a time or pick and choose at their discretion, *A Year of Hitchcock* will open the eyes of any viewer who wants to better understand this director's evolution as an artist.

A fresh, innovative biography of the twentieth century's most iconic filmmaker. In *The Twelve Lives of Alfred Hitchcock*,

Volume 1 Selected Writings And Interviews

Edward White explores the Hitchcock phenomenon—what defines it, how it was invented, what it reveals about the man at its core, and how its legacy continues to shape our cultural world. The book's twelve chapters illuminate different aspects of Hitchcock's life and work: "The Boy Who Couldn't Grow Up"; "The Murderer"; "The Auteur"; "The Womanizer"; "The Fat Man"; "The Dandy"; "The Family Man"; "The Voyeur"; "The Entertainer"; "The Pioneer"; "The Londoner"; "The Man of God." Each of these angles reveals something fundamental about the man he was and the mythological creature he has become, presenting not just the life Hitchcock lived but also the various versions of himself that he projected, and those projected on his behalf. From Hitchcock's early work in England to his most celebrated films, White astutely analyzes Hitchcock's oeuvre and provides new interpretations. He also delves into

Hitchcock's ideas about gender; his complicated relationships with "his women"—not only Grace Kelly and Tippi Hedren but also his female audiences—as well as leading men such as Cary Grant, and writes movingly of Hitchcock's devotion to his wife and lifelong companion, Alma, who made vital contributions to numerous classic Hitchcock films, and burnished his mythology. And White is trenchant in his assessment of the Hitchcock persona, so carefully created that Hitchcock became not only a figurehead for his own industry but nothing less than a cultural icon. Ultimately, White's portrayal illuminates a vital truth: Hitchcock was more than a Hollywood titan; he was the definitive modern artist, and his significance reaches far beyond the confines of cinema.

several thematic groupings."

Presents a collection of interviews with the British film director which span his five decade career.

One is ravished by the density of insights into cinematic questions....Truffaut performed a tour de force of tact in getting this ordinarily guarded man to open up as he had never done before (and never would again)....If the 1967 Hitchcock/Truffaut can now be seen as something of a classic, this revised version is even better.

Phillip Lopate The New York Times Book Review

A celebration of the San Francisco films of Alfred Hitchcock. Three of his masterpieces were set in the San Francisco area: Shadow of a

Doubt, Vertigo and The Birds. In addition, Rebecca, Suspicion, Marnie, Topaz, Psycho and Family Plot utilised Bay Area locations and/or were inspired by Northern California settings. Footsteps in the Fog examines these famous films, taking the reader on a journey around the Bay Area, while weaving together cinemagraphic intrigue, Bay Area history and lore, and the timeless elegance of San Francisco and its picturesque surroundings.

This definitive illustrated survey of all of Alfred Hitchcock's films is a book no movie buff or Hitchcock fan can afford to be without. The monumental scope of Alfred Hitchcock's work remains unsurpassed by any other movie director, past or present. So many of his movies have achieved classic status that even a partial list—Psycho, The Birds, Rear Window, Vertigo, Spellbound—brings

a flood of memories. In this essential text, reissued on the occasion of Hitchcock's centennial, internationally renowned Hitchcock authority Donald Spoto describes and analyzes every movie made by this master filmmaker. Illustrated throughout with shots from each film, *The Art of Alfred Hitchcock* also includes a storyboard section, a complete filmography, and “A Hitchcock Album” (sixteen pages of photos) as an added celebration of his life.
