This popular book examines the growing diversity in schools in a constructive, empowering manner. The authors identify various forms of cultural diversity and suggest ways that teachers can build inclusive classroom environments. Each of the 7 topical chapters deals with a different form of diversity in school: a) racial/ethnic, b) religious, c) ability, d) socioeconomic class, e) linguistic, f) gender diversity, and g) activities. Ways for enabling students to discard existing stereotypes and actively question and reject attitudes and actions not congruent with a pluralistic society are suggested.
