Upper-elementary students encounter a sometimes dizzying array of traditional and nontraditional texts both in and outside of the classroom. This practical handbook helps teachers in grades 4-6 harness the instructional potential of fiction, poetry, and plays; informational texts; graphic novels; digital storytelling; Web-based and multimodal texts; hip-hop; advertisements; math problems; and many other types of texts. Twenty-four complete lessons promote critical literacy skills such as comprehending, analyzing, and synthesizing information and using writing to communicate new ideas and pose questions. Snapshots of diverse classrooms are accompanied by clear explanations of the research base for instruction in each genre. Ready-to-use reproducibles are included.

Living in a rural community in Wisconsin during the 1950s, eleven-year-old Amanda gradually and painfully learns a lot about herself, her parents, and her older sister.

Long ago in Romania a prince dealt fairly with a lying merchant and an honest peasant.

Jake remembers the terrible days in third grade when everybody thought he was the teachers' pet.

Next Generation Science Standards identifies the science all K-12 students should know. These new standards are based on the National Research Council's A Framework for K-12 Science Education. The National Research Council, the National Science Teachers Association, the American Association for the Advancement of Science, and Achieve have partnered to create standards through a collaborative state-led process. The standards are rich in content and practice and arranged in a coherent manner across disciplines and grades to provide all students an internationally benchmarked science education. The print version of Next Generation Science Standards complements the nextgenscience.org website and: Provides an authoritative offline reference to the standards when creating lesson plans Arranged by grade level and by core discipline, making information quick and easy to find Printed in full color with a lay-flat spiral binding Allows for bookmarking, highlighting, and annotating
