What lies beyond the tear? After achieving sanctuary in Scotland, Lyra, Dorian, and their clan have earned a much-deserved reprieve. But they cannot sit still for long. Darkness rises, unchecked, in both realms, while the tear continues to widen. With Alan's chilling words ringing in their ears, it is time to face what Dorian has put off for so long: a return to the Immortal Plane. Lyra remembers her small glimpse into that world, but this time, she will be on the ground, along with a small human-vampire team led by Dorian and Kane. It would be treacherous enough without Dorian's attraction for her causing near-

"I celebrated when vampires were declared extinct. Those monsters had preyed on humanity for millennia, committing senseless, brutal murders. Like the rest of my colleagues at the Occult Bureau, I looked forward to a world where we could all sleep at night--where constant cover-up jobs were no longer required to keep the public calm and unaware. But the end of vampires wasn't the end of our problems. It was only the beginning"--Publisher marketing.

"The Stargazers might have been the stuff of mythology, but they were the only ones who could end this madness. If they were really out there, we were going to find them..." Ready for the EPIC GRAND FINALE of the Hotbloods series? Buy now *Beware of spoilers in the reviews below that are without spoiler alerts*

Liam Swift is a young man Amy has always admired from afar. She's seen his face a thousand times; on the screen and in magazines. He seems unstoppable as his talent and beauty send him hurtling toward becoming a Hollywood legend... Until one day - in what appears to be a fit of madness - he stuns the world by throwing it all away. Not even the most persistent reporter can fathom the reason behind Liam's decision. Never in Amy's wildest dreams could she have imagined this God of acting would go on to accept employment at her local boarding school. Or that he'd personally start teaching her drama lessons. It seems life can't get much better for Amy ... until the sound of tortured weeping starts echoing through the thin walls of her dorm room each night, leading her to stumble upon a horrifying secret Liam had hoped to keep hidden forever. The Gender GameBy Bella Forrest

America in 2105 is beset with mass inequality, poverty and increasingly large numbers of the poor. A fractured America ushers in an authoritarian government that promises to solve these problems by redistributing children born to the poor to be adopted by the rich. Robin, a single teen mother, fell within the scope of the scheme and lost her baby two years ago. A life of factory work doesn't provide much hope until she stumbles upon a group of misfits who share her frustrations and desire for change. In a world where we have government of the rich by the rich for the rich, one girl decides to fight back.
