How To Escape Your Prison - Moral Reconciliation Therapy

"A Moral Reconciliation Therapy Workbook. Moral Reconciliation Therapy is a systematic, cognitive-behavioral, step-by-step treatment strategy designed to enhance self-image, promote growth of a positive, productive identity, and facilitate the development of higher stages of moral reasoning. The term moral reconciliation was chosen for this system because the underlying goal was to change conscious decision-making to higher levels of moral reasoning"--Amazon.

The Remarkable Story of How One Man Defied the Odds At 18, Paul Wood thought he had lost everything. He had committed an act he knew would send him to prison for many years. To a young man like Paul, it might as well have been for the rest of his life. Plunged into a nightmarish world of extreme violence, solitary confinement, gang allegiances, drugs, vindictive wardens and regular stabbings, Paul spent the next 11 years confined in some of New Zealand's toughest jails. Based on an account of his experiences he wrote while still inside, How to Escape from Prison chronicles Paul's road to redemption and a new life as a doctor of psychology, helping others strive to fulfil their potential and develop the resilience to flourish, even in adversity. This is a gripping read about a man who sank to the depths of despair, before scaling the heights of true freedom. 'Paul's transformation is unbelievable. We are sometimes brought up to think a zebra can't change its stripes. Paul Wood's story is proof that anyone can change. It gives you great courage that you can do anything.' - Sir John Kirwan

A well established psychologist argues from personal experience that it is spirituality rather than psychology that can lead us to true personal freedom and happiness.

Escaping the prison of emotional abuse is challenging. However, breaking free from the abusive tactics of a narcissist/psychopath poses its own unique challenges. *Pretty Prison (How to Leave A Narcissist/Psychopath and Heal)* examines these threats and how to escape to a life of freedom and healing.

The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. “Fox unspools Jones and Hill’s delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine.”—*The New York Times Book Review* Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for “the Great War,” Jones, the Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her “nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality” (Kathryn Schulz, *New York*) to this tale of psychological strategy that is rife with cunning, danger, and moments of high farce that rival anything in *Catch-22*.

God's plan has never been to help believers avoid pain. In fact, He uses difficult seasons and relationships to propel His children toward their destiny. The healing process from emotional and spiritual wounds is a journey that prepares Christians to live powerful lives, fully trusting the God who has freed them from the past. Jason Vallotton thought his world was burning down around him when he found out that his wife, Heather, was having an affair and planned to leave him and their children. Using his own story as a poignant, evocative illustration of God's grace and healing, Jason invites readers to reframe their understanding of redemption. With his dad, Kris Vallotton, Jason shows believers how they can steward the hardest times and deepest pain in their lives and allow God to use them to lay a foundation for complete restoration and empowerment for the future. While it may be hard to see emotional wounds as gifts when they still hurt so deeply, those who read *The Supernatural Power of Forgiveness* will discover that God can not only heal their wounds, but He can also use the process of healing to equip them for whole, fulfilled and powerful lives.

In this new LEGO(R) CITY 8x8, three crooks have escaped from Prison Island. Can the cops catch them before they get to shore? Find out in this funny, action-packed adventure featuring original illustrations!
