"Trading is notoriously tough. But Altucher's new book adds an noteworthy addition to the library on Warren Buffett. He shows a lot of Buffett that isn't readily available in the existing common literature. Definitely required reading for any serious Buffett buff." -Kenneth L. Fisher, Forbes' "Portfolio Strategy" Columnist Founder and CEO, Fisher Investments "Finally, someone blows apart the myth that Warren Buffett is a buy-and-hold investor. Altucher has given us an insightful and well-written commentary on how Buffett has amassed his track record, and what we can do to emulate him. He details the trade-by-trade examples. This is a must read for anyone wanting to learn about how the Master Investor works." -John Mauldin, author, Bull's Eye Investing editor of Thoughts from the Frontline (www.2000wave.com) While Warren Buffett is considered the "world's greatest value investor," there's another side to Buffett

that is rarely talked about. Although Buffett has gained recognition for his value investing approach to the markets, the fact is that nobody over the past fifty years has traded and invested with a more diverse group of strategies than Buffett. Trade Like Warren Buffett challenges the current coverage of this great investor by including details of all of Buffett's investing and trading methods, including mean reversion, commodities, bonds, arbitrage, market timing, funds, as well as Graham-Dodd. To augment the discussion of each strategy, Trade Like Warren Buffett also includes interviews with leading financial professionals, who reveal in detail how they've successfully used the same techniques. There is no one way to sum up Warren Buffett's investment style. But if you're interested in boosting the performance of your portfolio, Trade Like Warren Buffett can show you how.

A detailed look at the common characteristics found in most successful traders. While there are a variety of approaches to trading in the financial markets, profitable traders tend to share similar underlying characteristics. Most have a methodology that they believe will prove profitable over the long run and are willing to endure short-term setbacks. If you're looking to make the most of your time in today's markets, you need to understand what separates the best from the rest. And with Trade Like a Casino, you'll gain the knowledge needed to excel at this challenging endeavor. Engaging and informative, this reliable guide identifies and explains the key techniques and mental processes characteristic of successful traders. It reveals that successful traders operate very much like a casino in that they develop a method that gives

them "positive expectancy" and they unflappably implement the method in the face of changing, and oftentimes volatile, market conditions. Page by page, the book explores the intricacies of methodology, mental control, and flexibility that allow traders to develop and maintain the casino-like edge. Reveals how many successful traders tend to follow the same general principles, even if their approach to trading may differ. Explores how to account for the risk of being wrong and the market moving against you. Discusses how to develop an approach that combines trade selection with sound risk management, avoids emotional attachment to positions, exploits volatility cycles, and focuses on market action. Regardless of how you approach markets, the insights found here will help improve the way you trade by putting you in a better position to distinguish the differences between successful and unsuccessful traders.

Take a bite out of the markets with the Naked Trader in his 100% all-new book about **TRADING PSYCHOLOGY!** This book is for anyone who really wants to consistently make money trading shares. Trading and investing can be tough – most fail. The human mind is to blame. It's prone to emotion, cluttered with distractions like Twitter and social media, easily trapped by scams. But it's possible to make money in the markets – and to do so reliably. Robbie Burns, aka The Naked Trader, has been trading successfully from his home for 15 years – making over £2m tax-free (while eating a lot of toast and watching Game of Thrones). He's also met and helped thousands of fellow traders at his seminars, seen every possible trading meltdown, and knows exactly what can go wrong – but also how to put it right. In *Trade Like a Shark*, Robbie uses his unique firsthand experience and the real-life stories traders have shared with him to expose exactly how the human mind can play havoc with your trading. At the same time he reveals his tried-and-tested methods for overcoming it, showing how to be a shark,

gobbling up money from the 'fish' who are full of fear, greed and other emotions. (And also why modelling yourself on Mr Spock can work wonders.) If you 've run into problems trading in the stock market – or just want to reinforce good habits – there is no better or wittier guide to the pitfalls that are out there, and some surprisingly effective ways to overcome them. It's a must-read book on trading psychology – without the jargon. Read it and take your trading to the next level now!

The secret to Jesse Livermore's legendary trading success Although he began his career in 1892, Jesse Livermore is still considered to be one of the world's greatest traders. In life and in death, Livermore has always been a controversial figure and his methods held up as a model for traders of all generations. Through 45 years of trading and market observation, Jesse Livermore determined that stocks and stock markets move in a series of repetitive patterns. He then developed a series of unique tools, using secret formulas and equations that allowed him to identify and interpret the movement in stocks with uncanny reliability. In *Trade Like Jesse Livermore*, author Richard Smitten explores the technical aspects of Livermore's trading approach and shows readers how they can use these techniques to garner the success Livermore once did. *Trade Like Jesse Livermore* covers every aspect of Livermore's trading methods, from discerning market behavior and trends such as top-down and tandem trading to paying close attention to indicators such as one-day reversals and spikes. With this book as their guide, readers can learn how to trade profitably without fear or greed. Richard Smitten (New Orleans, LA) is the author of numerous books including *Jesse Livermore: World's Greatest Stock Trader* (0-471-02326-4), *The Godmother*, *Capital Crimes*, and *Legal Tender*.
