In the Line of Fire is archetypical 80s music, with its tell-tale corporate rock sound and the lame chorus of backing vocals so typical of that time. Its pretensions are to power rock, but the reality of the music is purely formulaic. Fans weaned on Trower's early material are probably not going to like this at all. The final two cuts save the CD from being a complete waste of money and vinyl ...

Torn apart by his inability to protect President Kennedy from assassination thirty years earlier, Secret Service agent Frank Horrigan must overcome his personal demons to protect a new president from a deadly contract killer. Original. Movie tie-in.

In 2004, Erin Solarto went to Iraq to study American servicewomen — what they were doing, how well they were doing it, how they were faring in combat. In 2005, she went to Afghanistan on the same mission. Having spent time embedded with combat troops and conducting stateside interviews with numerous analysts and veterans, Solarto is convinced that the time to drop all remaining restrictions on women's full equality under arms is now. The Army, the country, the women of America — and of the world — need it. Women in the Line of Fire details why this will not be an easy task. Although 15 percent of the military is female, the Army and Marines still resist acknowledging what is, in fact, already happening — women are fighting, and fighting well. For the Religious Right and the cultural conservatives, women in combat is a hot-button issue in their campaign to “take back the culture.” But for the young men and women on the lines, brought up in an America where equality between the sexes was never second guessed and where making up the rules as you go along comes with the territory, it's the new reality.

How to deal with brutal questions in front of an audience.

Answer even the toughest, most hostile questions brilliantly: take the floor, stay poised, and win your audience over every time! Imagine: you're standing in front of an audience and you've just been asked the question you'd been dreading — or, worse, you've been blindsided with a brutal question you never expected. What to do? Jerry Weissman has made a career of preparing executives for that moment. He's coached nearly 500 executives on their IPO road shows, the most critical presentations of their lives. Weissman's In the Line of Fire has established itself as the world's definitive guide to answering brutally tough questions in public — and now, he's completely updated this classic with new examples, case studies, and even more great advice. Using compelling, up-to-the-minute examples from Wall Street, Washington, D.C., and beyond, Weissman teaches how to respond with perfect assurance, no matter what. You'll discover how to avoid the defensive, evasive, or contentious answers that have destroyed political careers and can ruin your credibility. Weissman shows you how to control your entire exchange with a hostile questioner: the question, answer, interactions with questioner and audience, timing, and above all, yourself. Whether you're an executive, politician, fundraiser, interviewee, teacher, student — or even a family member at Thanksgiving dinner — you're judged on how you handle these moments. Get this book: handle them brilliantly.

“Draw” is an inadequate way to describe what the Lions did here. They stopped one point short of a miracle.' Daily Telegraph Warren Gatland's In the Line of Fire is the ultimate chronicle of this summer's remarkable Lions tour to New Zealand - home of the fearsome All Blacks, the double world champions - which culminated in an historic and nerve-shredding series draw. The book is the Head Coach's candid record of the perspiration and inspiration, the withering ferocity,and the turbulent peaks and troughs which go hand-in-hand with one of sport's toughest challenges. It gives rugby fans an unparalleled front-row seat with the squad and coaching team during every facet of preparing for and executing a successful tour on the opposite side of the planet, recounting intriguing details on everything from pre-tour planning and strategy, to on-tour experiences, analysis and decision-making. It all adds up to a thrillingly definitive exposition and post-mortem of a mind-blowing six weeks in the cauldron which forged the mighty All Blacks.

It is almost unprecedented for a head of state to publish a memoir while still in office. But Pervez Musharraf is no ordinary head of state. As President of Pakistan since 1999, his is one of the most dangerous jobs in the world, and he continues to play a crucial role in the global war on terror. A one-time supporter of the Taliban, a general who fought in several wars, President Musharraf took a decisive turn against militant Islam in 2001. Since then he has survived two assassination attempts; rooted out militants in his own government; helped direct countless raids against al-Qaeda both in his cities and in the mountains; and tracked Osama bin Laden with technical and human intelligence. IN THE LINE OF FIRE is astonishingly revealing and honest about dozens of topics of intense interest to the world. Among its many revelations: exactly how Pakistani authorities tracked down and smashed three major al-Qaeda control centres in the mountains; how al-Qaeda's many-layered structure was revealed after the assassination attempts; Bin Laden's current position within the al-Qaeda hierarchy; what it has been like to deal with Bush and Blair; how Pakistan and India have avoided nuclear confrontation; and much more. The terrible earthquake of 2005, killing nearly 40,000 Pakistanis, is just one chapter in a life and career that has been filled with danger and drama. The worldwide launch of President Musharraf's memoir promises to be a sensation.

But what in fact is fact, and what in fiction is fiction? Brilliantly seductive, Out of the Line of Fire was the literary sensation of the year when it was first published, in 1988. Mark Henshaw has lived in France, Germany, Yugoslavia and the USA. He currently lives in Canberra. His first novel, Out of the Line of Fire (1988), won the FAIW Barbara Ramsden Award and the NBC New Writers Award. It was one of the biggest selling Australian literary novels of the decade and has been re-released as a Text Classic. The Snow Kimono won the 2014 NSW Premier's Award for Fiction and Mark Henshaw was the 2015 winner of the Copyright Agency's Author Fellowship. 'A dazzling debut. A tour de force. This book is imaginative, virtuosic, and awesomely assured. It is compulsive reading.' Don Anderson 'Experimental, extraordinary...Out of the Line of Fire, published in 1988, remains one of my favourite Australian novels.' Stephen Romei, Australian 'An Australian writer heads to Germany, where he gets strong doses of philosophy, violence, taboo sex, and unreliable narration...The novel feels like an id laid bare, and Henshaw keeps the story in line while constantly pointing out the limitations of words to capture reality. A remarkable and brainy work of metafiction.' STARRED Review, Kirkus

'In the line of fire' explores the nature of combat from the perspective of the men doing the actual fighting. From the heights of Gallipoli to the trenches of the Western Front, from the deserts of North Africa to the jungle POW camps of the Thai-Burma Railway, from the savage cold of a Korean winter to the steamy heat of Vietnam this book details what it's really like to be in the line of fire. Also it reveals the experiences of Australian women at war and the combat photographers.
