In the Line of Fire is archetypical 80s music, with its tell-tale corporate rock sound and the lame chorus of backing vocals so typical of that time. Its pretensions are to power rock, but the reality of the music is purely formulaic. Fans weaned on Trower's early material are probably not going to like this at all. The final two cuts save the CD from being a complete waste of money and vinyl ...

It is almost unprecedented for a head of state to publish a memoir while still in office. But Pervez Musharraf is no ordinary head of state. As President of Pakistan since 1999, his is one of the most dangerous jobs in the world, and he continues to play a crucial role in the global war on terror. A one-time supporter of the Taliban, a general who fought in several wars, President Musharraf took a decisive turn against militant Islam in 2001. Since then he has survived two assassination attempts; rooted out militants in his own government; helped direct countless raids against al-Qaeda both in his cities and in the mountains; and tracked Osama bin Laden with technical and human intelligence. IN THE LINE OF FIRE is astonishingly revealing and honest about dozens of topics of intense interest to the world. Among its many revelations: exactly how Pakistani authorities tracked down and smashed three major al-Qaeda control centres in the mountains; how al-Qaeda's many-layered structure was revealed after the assassination attempts; Bin Laden's current position within the al-Qaeda hierarchy; what it has been like to deal with Bush and Blair; how Pakistan and India have avoided nuclear confrontation; and much more. The terrible earthquake of 2005, killing nearly 40,000 Pakistanis, is just one chapter in a life and career that has been filled with danger and drama. The worldwide launch of President Musharraf's memoir promises to be a sensation.

Torn apart by his inability to protect President Kennedy from assassination thirty years earlier, Secret Service agent Frank Horrigan must overcome his personal demons to protect a new president from a deadly contract killer. Original. Movie tie-in.

Answer even the toughest, most hostile questions brilliantly: take the floor, stay poised, and win your audience over every time! Imagine: you're standing in front of an audience and you've just been asked the question you'd been dreading – or, worse, you've been blindsided with a brutal question you never expected. What to do? Jerry Weissman has made a career of preparing executives for that moment. He's coached nearly 500 executives on their IPO road shows, the most critical presentations of their lives. Weissman's In the Line of Fire has established itself as the world's definitive guide to answering brutally tough questions in public – and now, he's completely updated this classic with new examples, case studies, and even more great advice. Using compelling, up-to-the-minute examples from Wall Street, Washington, D.C., and beyond, Weissman teaches how to respond with perfect assurance, no matter what. You'll discover how to avoid the defensive, evasive, or contentious answers that have destroyed political careers and can ruin your credibility. Weissman shows you how to control your entire exchange with a hostile questioner: the question, answer, interactions with questioner and audience, timing, and above all, yourself. Whether you're an executive, politician, fundraiser, interviewee, teacher, student – or even a family member at Thanksgiving dinner – you're judged on how you handle these moments. Get this book: handle them brilliantly.

In 2004, Erin Solaro went to Iraq to study American servicewomen – what they were doing, how well they were doing it, how they were faring in combat. In 2005, she went to Afghanistan on the same mission. Having spent time embedded with combat troops and conducting stateside interviews with numerous analysts and veterans, Solaro is convinced that the time to drop all remaining restrictions on women's full equality under arms is now. The Army, the country, the women of America – and of the world – need it. Women in the Line of Fire details why this will not be an easy task. Although 15 percent of the military is female, the Army and Marines still resist acknowledging what is, in fact, already happening – women are fighting, and fighting well. For the Religious Right and the cultural conservatives, women in combat is a hot-button issue in their campaign to “take back the culture.” But for the young men and women on the lines, brought up in an America where equality between the sexes was never second guessed and where making up the rules as you go along comes with the territory, it's the new reality.

As he slips into a coma, Lieutenant Leonardo Sanchez begins reminiscing about his life. He remembers the school shooting, the day his father died, his best friend and comrade in arms- Mark, and Valerie- the love of his life. A young teacher Valerie Watson and Leo are desperately in love but one more tour might be just too many for her. The two must fight between absence and true love while he fights for his country overseas. But what happens when the enemy strikes home? Now Leo must make the hard choice between savoring the taste of revenge and forgiveness.

It just got personal... As the Delta Force legend at Pytheon International, security expert Jett Smith-Jones has run out of leads in his effort to capture criminal mastermind, The Recruiter, the head of a notorious, international human trafficking and recruitment ring. The Recruiter remains one step ahead but when he threatens the principal players at Pytheon, including Dr Samantha Stone, the game is back on. Jett, while valiantly trying to ignore his visceral attraction to the fiery red head, is determined that she have the best protective detail Pytheon can provide. He is the best they have. PhD Samantha Stone has been tasked to profile The Recruiter's next move as a consultant of the psychology of criminal behavior. Too bad she can't discern her attraction to the hard-eyed Delta Force legend. She avoids men who chase danger, but she can't stop dreaming of falling into Jett's very muscular arms. Unfortunately for Sam, The Recruiter isn't the only criminal wanting a piece of her... As they tighten the net around The Recruiter, the risk to Sam increases. Jett vows he will keep her safe, but who will protect his heart? And will Jett prove to pose the biggest danger to Sam of all?

Jerry Weissman has made a career of coaching nearly 500 execs on their IPO roadshows, the most critical presentations of their lives. Now, he's written an indispensable guide to answering the toughest questions you'll ever face. Using compelling examples from Presidential debates to stock analyst meetings, Weissman teaches how to respond with perfect assurance. Discover how to avoid the defensive, evasive, or contentious answers that have destroyed political careers and ruin credibility. Learn to control your entire exchange with a hostile questioner: the question, answer, interactions with questioner and audience, timing, and above all, yourself. Whether an executive, politician, fundraiser, interviewee, teacher, student -- or even a family member at Thanksgiving dinner -- you're judged on how you handle these moments. Get this book: handle them brilliantly.

Winner of the 2009 Robert A. Calvert Prize In January 1917, German foreign minister Arthur Zimmermann sent a telegram to Germany's Mexican ambassador, authorizing the offer of U.S. territory in exchange for Mexico's alliance with Germany in the Great War. After the interception of this communication, U.S. intelligence intensified surveillance of the Mexican American community in Texas and elsewhere, vigilant for signs of subversive activity. Yet, even as this was transpiring, thousands of Tejanos (Mexican Texans) were serving in the American military during the war, with many other citizens of Mexican origin contributing to home front efforts. As author José A. Ramírez demonstrates in *To the Line of Fire!*, the events of World War I and its aftermath would decisively transform the Tejano community, as war-hardened veterans returned with new, broadened perspectives. They led their people in opposing prejudice and discrimination, founding several civil rights groups and eventually merging them into the League of United Latin American Citizens (LULAC), the largest and oldest surviving Hispanic civil rights organization in the United States. Ramírez also shows the diversity of reaction to the war on the part of the Tejano community: While some called enthusiastically for full participation in the war effort, others reacted coolly, or only out of fear of reprisal. Scholarly and general readers in Texas history, military history, and Mexican American studies will be richly rewarded by reading *To the Line of Fire!*

After conducting exclusive interviews with more than one hundred current and former Secret Service agents, bestselling author and award-winning reporter Ronald Kessler reveals their secrets for the first time. Never before has a journalist penetrated the wall of secrecy that surrounds the U.S. Secret Service, that elite corps of agents who pledge to take a bullet to protect the president and his family. Kessler portrays the dangers that agents face and how they carry out their missions--from how they are trained to how they spot and assess potential threats. With fly-on-the-wall perspective, he captures the drama and tension that characterize agents' lives and reveals what they have seen, providing startling, previously untold stories about the presidents, from John F. Kennedy and Lyndon Johnson to George W. Bush and Barack Obama, as well as about their families, Cabinet officers, and White House aides.
