Includes a sneak peek of *Undoctored*—the new book from Dr. Davis! In this #1 New York Times bestseller, a renowned cardiologist explains how eliminating wheat from our diets can prevent fat storage, shrink unsightly bulges, and reverse myriad health problems. Every day, over 200 million Americans consume food products made of wheat. As a result, over 100 million of them experience some form of adverse health effect, ranging from minor rashes and high blood sugar to the unattractive stomach bulges that preventive cardiologist William Davis calls "wheat bellies." According to Davis, that excess fat has nothing to do with gluttony, sloth, or too much butter: It's due to the whole grain wraps we eat for lunch. After witnessing over 2,000 patients regain their health after giving up wheat, Davis reached the disturbing conclusion that wheat is the single largest contributor to the nationwide obesity epidemic—and its elimination is key to dramatic weight loss and optimal health. In *Wheat Belly*, Davis exposes the harmful effects of what is actually a product of genetic tinkering and agribusiness being sold to the American public as "wheat"—and provides readers with a user-friendly, step-by-step plan to navigate a new, wheat-free lifestyle. Informed by cutting-edge science and nutrition, along with case studies from men and women who have experienced life-changing transformations in their health after waving goodbye to wheat, *Wheat Belly* is an illuminating look at what is truly making Americans sick and an action plan to clear our plates of this seemingly benign ingredient.

Amazed that she had cured herself instantaneously, Vianna started to use this technique in her sessions with clients and saw person after person miraculously heal. Discover: the belief and feeling work that can instantly change the thinking within you that creates illness; the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is; how to develop the ability to change on all levels: physically, mentally, emotionally and spiritually, using the Creator of All That Is.
