The Abbey Court Murder - Lady Judith Carew finds herself in the middle of a gruesome murder at the Abbey Court and all the clues point at her direction. Is she the real murderer or is it someone else? The House in Charlton Crescent - Lady Anne is herself at the receiving end of a puzzling murder mystery when the killer strikes her for hiring a private detective. Would Inspector Furnival be able to solve the mystery of the double murders and find the criminal before it's too late? The Crow's Inn Tragedy - A famous lawyer is strangled in his own office and a notorious gang of criminals is at large. What do they want and how would Inspector Furnival foil their evil plot? Annie Haynes (1865-1929) was a renowned golden age mystery writer and a contemporary of Agatha Christie, another famous crime writer, which often led to her comparison with the latter, and unfavourably so. Haynes's fictions are now lauded for their quick-pace action and sustaining aura of suspense till the end.

1887, London slums where the discovery in the Devil's acre stunned even the hardened residents. Inspector Pitt of Bow street and his wife Charlotte embark to unravel the mystery.

A sweeping novel set in war-torn 1928 China, with a star-crossed love story at its center. In a city full of thieves and Communists, danger and death, spirited young Lydia Ivanova has lived a hard life. Always looking over her shoulder, the sixteen-year-old must steal to feed herself and her mother, Valentina, who numbered among the Russian elite until Bolsheviks murdered most of them, including her husband. As exiles, Lydia and Valentina have learned to survive in a foreign land. Often, Lydia steals away to meet with the handsome young freedom fighter Chang An Lo. But they face danger: Chiang Kai Shek's troops are headed toward Junchow to kill Reds like Chang, who has in his possession the jewels of a tsarina, meant as a gift for the despot's wife. The young pair's all-consuming love can only bring shame and peril upon them, from both sides. Those in power will do anything to quell it. But Lydia and Chang are powerless to end it.

From a New York Times-bestselling author, Charlotte and Thomas Pitt must solve the case of a young gentleman's sordid murder-before an innocent man hangs. The naked body of an aristocratic youth turns up in the sewers beneath Bluegate Fields, one of London's most notorious slums. But Arthur Waybourne had been drowned in his bath, not in the Thames. More shocking still was that the boy had been sexually violated and infected with syphilis before he was murdered. Despite Inspector Thomas Pitt's efforts to fully investigate the crime, the family closes ranks, stonewalling Pitt, leaving him to wonder what they are hiding. All evidence points to Arthur's tutor, Jerome, as the murderer. The courts agree and Jerome is sentenced to hang. Pitt and his wife, Charlotte, don't believe the answer is so simple. But if not Jerome, then who molested and infected the boy? To learn the truth, Charlotte uses her familiarity with the upper classes to draw aside the curtain of lies, while Pitt defies his superior and the boy's family to follow a trail that leads him into the foulest streets of London through a web of deceit involving male prostitution and pedophilia. In a race against time, Thomas and Charlotte must find the real killer to save Jerome from the hangman's noose.

When Charlotte learns of her mother's distress in losing a locket with a compromising picture, she has no idea that it's just the beginning of a series of bizarre events that will end in sudden death.

This compendium brings together thirty-three murderous tales - one from each of the capital's boroughs - that not only shocked the City but made headline news across the country.Throughout its history the great urban sprawl of Greater London has been home to some of the most shocking murders in England, many of which have made legal history. Contained within the pages of this book are the stories behind these heinous crimes. They include George Chapman, who was hanged in 1903 for poisoning three women, and whom is widely suspected of having been the notorious serial killer Jack the Ripper; lovers Edith Thompson and Frederick Bywaters, executed for stabbing to death Thompson's husband Percy in 1922; and Donald Hume, who was found not guilty of the murder of wealthy businessman Stanley Setty in 1949, but later confessed to killing him, chopping up his body and disposing of it by aeroplane. Linda Stratmann also reveals previously unpublished information that sheds a whole new light on the infamous Craig and Bentley case. This carefully researched, well-illustrated and enthralling text will appeal to those interested in the history of Greater London's history and true-crime fans alike.

Someone on posh Callander Square will kill to keep a secret in this "superior" mystery from the New York Times-bestselling author of Twenty-One Days (The San Diego Union-Tribune). When two dead infants are dug up in the Callander Square gardens, the upper-class residents dismiss the burials as the desperate act of a low-born girl and resent the intrusion of Inspector Thomas Pitt into their well-ordered lives. Pitt is not convinced that the case should be so easily dropped. Also intrigued by the mystery, Pitt's well-born wife, Charlotte, pursues her own investigation into places Thomas would never have access-the parlors and inner chambers of the mansions on the fashionable square. With her sister Emily, Lady Ashworth, who lives on Callander Square, she delves into the lives and secrets of the residents. Thomas and Charlotte, now expecting their first child, form the perfect sleuthing couple. Elegant closets soon spill their skeletons exposing long-hidden secrets-secrets that could lead even the most upright aristocrat to kill. But will Pitt's keen investigative skills and Charlotte's insights into the workings of high-class society solve the mystery in time to save the innocent residents of Callander Square from the murderer among them? Callander Square is the 2nd book in the Charlotte and Thomas Pitt Novels, but you may enjoy reading the series in any order.
