'International Business' provides real & up-to-date coverage of international business topics & issues. It discusses the differences faced in international environments, overall company strategies & functional alternatives for operating abroad.

For a first course in international business at the undergraduate or M.B.A. Level. Section 1 discusses the nature of international business and the three environments in which an international businessperson works. Section II examines the important international organizations, the international monetary system and their input in business. Section III discusses the uncontrollable forces that make up the foreign environments and illustrates their effects on business practices. The final section deals with the functions of management and shows how managers deal with the uncontrollable forces. Trends and new directives of international companies are also treated.

CRIMINAL LAW AND PROCEDURE, 7th edition delivers extensive coverage of every aspect of the law and details the duties a paralegal is expected to perform when working within criminal law. High-level, comprehensive coverage is combined with cutting-edge developments, foundational concepts, and emerging trends, such as terrorism, treason, and national security crimes; cyber stalking; virtual child pornography; corporate crime, racial profiling, and more. Case excerpts help you develop your case analysis skills, while a variety of built-in learning aids sharpen your problem solving and analytical skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Global Innovation Index 2020 provides detailed metrics about the innovation performance of 131 countries and economies around the world. Its 80 indicators explore a broad vision of innovation, including political environment, education, infrastructure and business sophistication. The 2020 edition sheds light on the state of innovation financing by investigating the evolution of financing mechanisms for entrepreneurs and other innovators, and by pointing to progress and remaining challenges — including in the context of the economic slowdown induced by the coronavirus disease (COVID-19) crisis.
