Introduction Written by the illustrator Barbara Pelizzoli Recently my mother invited me to illustrate a children's poem. After reading the manuscript, those starry nights when my mom would recite this poem to us children, came back to mind. I never tired of listening to it as the poem always enchanted me. It is with great honor that now, after many years, I present to this generation a timeless poem. I humbly portray these sweet words with my art, hoping to inspire tenderness in the souls of the youngsters and bring them beautiful dreams in these starry nights. This poem, so dear to me, it is now for you. "The Moon" by Mamma Maria My children dear, come close, come near. I want to tell you why from up in the sky the Moon's face so bright shines in the sea at night.

Italian Kids Songs and Rhymes: A Mama Lisa Book Italy! A land with a rich tradition of children's songs and rhymes! In this book we've gathered over eighty Italian songs and rhymes, presented in their original language and with translations into English. Many have commentary sent to us by our correspondents around the world. It's an ideal resource for teachers of the Italian language, parents who want to share memories with their children, and anyone who loves the Italian culture. You'll find nursery rhymes like "Batta le Manine" (Clap Your Hands), songs like "La bella lavanderina" (The Pretty Washerwoman) and Christmas carols like the beloved "Tu scendi dalle stelle" (You Come Down from the Stars). Italy has been at the center of Western civilization for thousands of years, and we've included representatives from that entire time span. So you'll even find a few songs in Latin, the language of the Roman Empire and the Church, like "Personent hodie" (This Day Resounds), a carol from the 1500's. We're also very pleased to include several songs in different Italian dialects. Italy has had varied linguistic influences over the ages and this has led to many different variants of the language still being spoken there. Many have also been preserved in immigrant communities, particularly in the US, though these are fading as the children and grandchildren of immigrants often speak only English. Yet those same people have treasured memories of the rhymes and songs their grandparents sang to them. There's not always a sharp distinction between songs sung by children and by adults. So we've included a sampling of popular traditional songs like "Santa Lucia". "Italian Kids Songs and Rhymes" is produced by Mama Lisa's World, where we work with ordinary people around the globe to build a platform to preserve and exchange traditional culture. Most of the featured songs and rhymes have been provided by our contributors, to whom we're very grateful! The book works in concert with our web site. At the end of each item, there's a web address to an online version of the song or rhyme. There we are often able to include sheet music, recordings and videos of performances. We hope this book will help foster love of the Italian language and culture all over the world! Grazie! This book includes: -Italian songs, rhymes, lullabies, and carols -Each in the original language and with translations into English -Commentary from ordinary people about what the songs have meant to their lives -Web links to recordings and sheet music -Illustrations

From acclaimed Philadelphia chef Marc Vetri comes a celebration of handcrafted, regional Italian cooking that advocates a hands-on, back-to-the-basics approach to cooking. Slow-cooked meats, homemade breads, and flavorful pastas are the traditional comfort-food classics that Italians have been roasting, baking, curing, and making in their own kitchens for generations--dishes that people actually want to cook and eat. Home cooks of every skill level will revel in the 120 recipes, such as sweet Fig and Chestnut Bread, rich Spinach and Ricotta Gnocchi, savory Slow-Roasted Lamb Shoulder, and fragrant Apple Fritters. But Rustic Italian Food is much more than just a collection of recipes. With detailed, step-by-step instructions for making terrines, dry-cured salami, and cooked sausage; a thorough guide to bread and pasta making; and a primer on classic Italian preserves and sauces, Rustic Italian Food is also an education in kitchen fundamentals. In this book Marc Vetri connects us directly to the essence of Italian food.

Follows the author's quest to learn Italian over twenty-five years and her study of the ties between the language and Italy's culture, literature, history, and food.
