Storyline. All of Damien's focus is on him. Every thought. Every action. Is all about him. His touch. His kiss. His tongue. But Damien's focus alters as he leaves home for the first time with little knowledge of how to manage what he's feeling on the inside.

Alan and Denise Jackson's life seemed like a fairy tale: high school sweethearts marry young and leave small-town Georgia to pursue big dreams in Music City. They pay their dues, work hard, weather deep disappointments. Then their dreams come true. In fairy tales, the Jacksons' material success?plus their "perfect" marriage, their three beautiful daughters, and their supportive families?would have signaled a happily-ever-after ending. But real life is different from fairy tales. At the pinnacle of their success, the Jacksons separated. For Alan, musical renown fame, and wealth still did not make up for the marital problems the Jacksons had struggled with for years. And for Denise, building her life around Alan and riding the tide of his success had somehow left her hollow, unsure of just who she really was. You don't have to be rich and famous to go through struggles like these. Sooner or later, we all come to the point when we relize that real joy and peace isn't just around the corner of the next achievement, the next relationship, the next new thing. That's why Alan and Denise Jackson's story isn't just a great read and a dramatic, intimate look at the golden world of celebrity. It's a story of the greatest love of all, the love that will never let you go . . . and how to find it, no matter who you are, where you live, or what you've done. "Denise's story is an inside perspective on the results of the ups and downs of fame. Her personal struggles with life's ordinary and extraordinary consequences, her passion to have a stronger marriage, and her desire to have a closer walk with God make for a truly inspiring life." ?Carrie Underwood, 2005 American Idol Winner, ACM & CMA Female Vocalist of the Year

The wife of country music star Alan Jackson discusses their once-turbulent marriage, and recounts the positive influences of her renewed faith in God on their relationship.

After 17 years of marriage, three beautiful children, and a full-time ministry, it became harder and harder for me to be involved in the day-to-day aspects of full-time ministry. I began to seek alternative ways to continue to reach

out to women without being physically at church, and at my husband's prompting, I begin writing a blog called "It's all about Him". These posts are not big miraculous happenings, but are words of encouragement and strength highlighting simple, everyday life lessons, some funny, some scary, some serious, but all real and fulfilling. Through these simple experiences, I have learned that life is what you make it. This book was literally pushed into existence by the women who have been extraordinarily blessed by the blog. Hopefully, you will laugh a little, relate a little, and at the end of the day, come to realize that it's really all about Him.

From the Introduction: This book is research-based—and what the research shows is this: The real problem isn't dating, or men. The problem is that during the early stages of dating, women unknowingly make one or more fundamental mistakes that hinder their ability to date successfully and find the man of their dreams. This book will identify each of these Top 10 mistakes, and show you how to fix them. With Dr. Christie Hartman as your guide, you'll learn how to put this groundbreaking research to work for you. You'll learn that you, as a woman: Have the advantage over men in the dating world Should make the first move with men—not wait for them to act Can detect if a guy is truly interested in you, even before you go out with him Anyone can tell you to avoid sex on the first date, or to wear a skirt, or to flirt a lot. This book gives you what you really need: the research-based strategies you need to make dating work for you—and find the happiness you deserve!

Ever wonder why your guy can't seem to understand you? Is he avoiding intimacy? Obsessed with his image? Is he just incapable of empathizing with you? Well, when your guy is a narcissist, it has nothing to do with you . . . it's all about him. In this engaging collection of personal anecdotes combined with current scientific research, Lisa E. Scott examines the typical traits of pathological narcissism. Clear examples from her own experiences help Lisa explain how a narcissist is dependent on a significant other to provide him the praise and attention he craves. Everything you do will never be enough. Narcissists perfect the art of charm, usually seeming too good to be true. So what can you do to protect yourself from a narcissist? It's All About Him will help you examine the men in your life and see through their charming facades. You will learn Why you fall for him Why he does what he does How to move on if you've been hurt Most important of all, It's All About Him will help you prevent the heartache that comes from falling in love with a narcissist.

2013 GOLD MEDAL WINNER: Reader's Favorite International Book Award for Christian Romance. The Missing Piece by international bestselling author Carol McCormick. "Fresh dialogue, realistic characters, a powerful message. McCormick does a great job creating her characters and portraying the struggles they endure," The Romance Readers Connection How does a man pick up the pieces when his world crashes around him? Misplaced priorities shattered his marriage. Problems almost crushed him. Love motivated him to mend the damage, once he found all the pieces. After only a few months of marriage, Lorraine left Dylan on a wintry night after he'd spent one too many nights out with the guys. Unable to cope with the loss, Dylan escapes the painful feelings by drinking them away. This decision costs him a year-and-a-half of his life after he stops in a little mountain town and ends up in the local jail. When he's released, he returns home in search of a job to get his life...and his wife back. The Missing Piece is not only a love story about a man who loves a woman, but is also a love story about a merciful God who loves mankind, even when he falls. The novel is an emotionally-charged journey of hope and redemption with a touch of spunk, a hint of humor, and a few twists along the way.

Too many of us never achieve the romantic and sexual fulfillment we want and deserve, and usually we blame our partners for getting it wrong. But what if the problem isn't him, it's you? Renowned relationship therapist and New York Times' bestselling author Laura Berman helps you break out of bad relationship patterns and achieve lasting romance and sexual satisfaction. Designed to be both inspirational and achievable, It's Not Him, It's You! helps you identify the damaging patterns of thought and behavior that prevent you from finding love and realizing the full potential of your relationships. Learn how to overcome self-blame and lack of confidence, how to acknowledge bad relationship choices so that you never repeat them, how to feel confident in the bedroom, and how to bring romance and intimacy back into your sex life. Then take the reins of your love life and create the relationship you want. It's Not Him, It's You! speaks to both single women and those in established relationships. Each chapter takes you one step further along the path to lasting, fulfilling love and sex, with a combination of tips, advice, inspiration, and real-life stories from Laura's clinics, all presented in Laura's characteristic warm, supportive style, to help you to discover just how happy, satisfying, and rewarding your relationship can be.

Explains in simple terms how to make friends with Jesus. Using a blend of stories, parables, and plain teaching, the author explains how to surrender your will, how to be converted daily, and how to experience Christ's transforming power.

In a society that encourages us to believe it's all about "me, me, me," it is a novel concept to discover it's really all about Christ. When we fail to recognize it's all about Him and begin to think that it is all about us, we are setting ourselves up for a great fall, shares Bishop Nate Holcomb in this thought-provoking new book It's All About Him: The Doctrine of Christ. How can the righteous prepare for battle? You can commit to learning Christ's doctrine and the six guiding principles. Don't miss this chance to obtain these spiritual life-saving lessons Accentuated by theological linguistic history and backed by scriptural documentation, It's All About Him relates that most Christians sadly cannot enunciate or enumerate the principles of the doctrine of Christ -- even if their lives depend on it. Ironically, the spiritual life of a Christian does, in fact, depend on these paramount teachings. This masterfully written book is an important weapon for every Christian's war chest.

It's All about Him comes from an author who has wrestled with God and her own emotions. The book reveals how God has met her, leads her, and cared for her in his faithfulness. Here is a practical, helpful work for Christians who desire to grow in their life with God. —Rev. Kent Meads, Community Presbyterian Church The statement "It's all about Him" often leads to the question "Who is he (him)?" When the author asks, "Who do you think 'he' is?" she gets varying responses. A few guessed it is God. When answering the question from a biblical perspective, it becomes clear God is the center of the universe: it's all about Him. This awareness conflicts with many of the assumptions at work in today's culture. A licensed psychologist, Dr. Brittell came across the question "What is it all about?" in many forms. People are searching for meaning and attachment, sometimes in all the wrong places. The loss of self—resulting from anxiety, depression, and other disorders—is not only a personal loss but a cultural loss as well. For Christians there are answers in the Bible. Many have no idea how or where to find them. Those who are unfamiliar with Christian principles may have no idea where to begin looking for the answers. In reading It's All about Him you will find principles that were established at the time of creation and have continued to this day. Your sense of self, worth, and purpose are found in relationship with God. Finding God in a world full of noise, clutter, and fantasies is not always easy, but it is always simple. "An excellent study for a small group setting." —Rev. Rich Latta, pastor, Dinuba Presbyterian Church
