of your questions about your 2016 filing. Stop wading through mountains of paperwork and browsing sketchy tax advice—this book puts America's most trusted tax advisors to work for your business. Detailed guidance includes recordkeeping requirements, dollar limits, sample forms, and checklists, and even shows you exactly which line on which form needs what information—and where to find it. Business taxes have so many moving parts that putting it all together can seem more difficult than actually running your business in the first place. J.K. Lasser puts a stop to the madness by breaking down the requirements, forms, and processes into a sensible workflow, with expert help that can save your business money. Organize your recordkeeping for a more streamlined filing Claim income and losses from business, property, and capital gains Identify the many business expenses that qualify as deductions Learn professional planning strategies specifically for small businesses Work more efficiently with your own tax advisor You're an expert on your business, not taxes. Unless you're inclined to moonlight as a tax accountant, you need a trusted expert on your side to help you keep more money where it belongs—in your business. J.K. Lasser's Small Business Taxes is the ultimate guide to filing quickly, correctly, and with less stress, so you can get filed and get back to work.
