Majority of students choosing STEM Subjects dream to study engineering and allied studies from one of the IITs or NITs, and to pursue this dream, the student writes JEE (Main) and JEE Advanced. Moreover, JEE (Main) & JEE (Adv) are considered to be one of the most challenging Entrance Examination in the country. And we have observed that many talented students fail to secure a seat in IITs/NITs in spite of having talent, capability and a strong will to succeed, due to lack of proper practice of taking an exam in actual examination conditions. To overcome this, a student should do sufficient practice by taking similar tests several times before the FINAL exam so that student develops all requisite competitive skills to get success in the final examination. With this objective in mind, we are presenting this book before you
