The book provides decade-wise detailed socio-economic data for Jharkhand and undivided Bihar, beginning with 1950, and correlates the performance of the Jharkhandi political formations in Lok Sabha elections with the development profile of Jharkhand (in relation to undivided Bihar). The separate state of Jharkhand was a dream of all. A layout had been made of how it would be. How did this come about? Who made the sacrifices? Where were the people tortured? How many lost their lives? The reason for this book to be written was to document the sacrifices of these people who created Jharkhand. It is a tribute to keep alive their memory and contribution. The book deals with stories of these unsung heroes in six sections. The first highlights the tragedy of those killed by the police. Also those who were caught in cross-firing. The second section comprises stories of revolutionaries who became victims of the mafia and thugs. The third section throws light on the role played by the non-tribal revolutionaries. In the fourth section, the stories are dedicated to the role of women in the Jharkhand Movement. The fifth section discusses about the Role of All Jharkhand Student Union (AJSU). The sixth section brings forth the plight of those who died due to lack of treatment, of natural causes or in accidents. They, however, played a major role in the Movement. It also mentions those who are living and carrying on the good work.

Jharkhand, which was carved out of the southern part of the State of Bihar on November 15, 2000, shares its border with Bihar, Uttar Pradesh, West Bengal, Chhattisgarh and Odisha. With Ranchi as its capital, the state is known for its rich reserves of natural resources and Nature's bounty. Little wonder, it is often referred to as the 'Land of Forests'. For the abundance of mineral resources, successive rulers have tried to control this region right since the ancient times. It was the British administration which most exploited the region as they made Kolkata (then Calcutta) the main port to export minerals from here to their country. The legendary hero of the tribals, Birsa Munda, along with many others like Sidho and Kanho, fought against British oppression. Birsa Munda is regarded as 'God's Messenger' in the fight of the tribals for natural right over land and the vast forest reserves that characterize the State. This book brings to light various characteristics of Jharkhand viz. —History, Geographical Position, Soil and Climate, Mineral Resources, Industry Tribal Communities, Art and Culture, Language, Literature and Newspapers, Important Personalities etc. in quiz form to make it useful for common readers and competitive exams' aspirants as well.
