This title includes coverage of key topic areas in this fast-moving discipline such as internationalization, mergers, innovation and entrepreneurship, and corporate strategy and diversification. It is written for students of strategic management at all levels.

With over one million copies sold worldwide, Exploring Strategy has long been the essential strategy text for managers of today and tomorrow. From entrepreneurial start-ups to multinationals, charities to government agencies, this book raises the big questions about organisations- how they grow, how they innovate and how they change. Texts and Cases also provides a wealth of extra case studies written by experts in the subject to aid and enrich your understanding. Examples are taken from events and organisations as diverse as Glastonbury, Mondelez and Formula 1 racing.

Very few companies are successful in undertaking strategic transformation while maintaining long term superior financial performance. Strategic Transformation, written by leading strategy experts, draws upon extensive interviews with business leaders and provides insights from companies faced with this challenge.

One million students and business executives have used the market-leading text Exploring Strategy to boost their academic and professional careers. The expert authors now transfer the essence of Exploring Strategy into The Fundamentals of Strategy. This book is particularly suited for those engaged in short courses.

An extensive process of market research & product development has formed the basis for this new edition. It covers all of the underlying concepts, processes of development & analytical methods of corporate strategy within a variety of organisations.

An extensive process of market research & product development has formed the basis for this new edition. It covers all of the underlying concepts, processes of development & analytical methods of corporate strategy within a variety of organisations.

This leading strategy text presents the complexities of strategic management through up-to-date scholarship and hands-on applications. Highly respected authors Charles Hill and Gareth Jones integrate cutting-edge research on topics including corporate performance, governance, strategic leadership, technology, and business ethics through both theory and cases. Based on real-world practices and current thinking in the field, the Ninth Edition of Strategic Management features an increased emphasis on the changing global economy and its role in strategic management. The high-quality case study program contains 30 cases covering small, medium, and large companies of varying backgrounds. All cases are available in the main student text or the core case text.
