"Visual Journey Journaling" is an innovative artistic method taught by Rakefet Hadar and made up of seven elements: Intention, Magical Coincidence, Background, Images, Lines, Color, and Text. Visual Journey Journaling invites you to a fascinating world where you connect with your hidden inner artist to create "soul pages" using simple techniques and subtle guidelines to take a look inside yourself. Rakefet has taught these methods for many years, guiding even inexperienced artists to find and express the stories within themselves. In the first chapter of the book you will learn how to master the seven elements in your journal. There are many fun exercises and a step-by-step tutorial of how to start a simple journal. Next you will learn how to make a soul page with the seven elements. You will explore a variety of materials and how to work with them to find and create your pages. You will learn to build your journal and how to bind it into a finished book. Throughout the book and in the final section, you'll see and find the meanings in Rakefet's stunning private art journal pages and read her stories behind them.
