In an irresistible invitation to lighten up, look around, and live an unscripted life, a master of the art of improvisation explains how to adopt the attitudes and techniques used by generations of musicians and actors. Let ' s face it: Life is something we all make up as we go along. No matter how carefully we formulate a " script, " it is bound to change when we interact with people with scripts of their own. Improv Wisdom shows how to apply the maxims of improvisational theater to real-life challenges—whether it ' s dealing with a demanding boss, a tired child, or one of life ' s never-ending surprises. Patricia Madson distills thirty years of experience into thirteen simple strategies, including " Say Yes, " " Start Anywhere, " " Face the Facts, " and " Make Mistakes, Please, " helping readers to loosen up, think on their feet, and take on everything life has to offer with skill, chutzpah, and a sense of humor.

Beads, beadwork, and personal ornaments are made of diverse materials such as shell, bone, stones, minerals, and composite materials. Their exploration from geographical and chronological settings around the world offers a glimpse at some of the cutting edge research within the fast growing field of personal ornaments in humanities ' past. Understanding the entangled social and technical aspects of beads require a broad spectrum of technical and methodological approaches including the identification of the sources for the raw material of beads. These scientific approaches are also combined in some instances with experimentation to clarify the manner in which beads were produced and used in past societies.

Kara Tippetts ' s story was not a story of disease, although she lost her battle with terminal cancer. It was not a story of saying goodbye, although she was intentional in her time with her husband and four children. Kara ' s story was one of seeing God in the hard and in the good. It was one of finding grace in the everyday. And it was one of knowing " God with us " through fierce and beautiful friendship. In Just Show Up, Kara and her close friend, Jill Lynn Buteyn, write about what friendship looks like in the midst of changing life seasons, loads of laundry, and even cancer. Whether you are eager to be present to someone going through a difficult time or simply want inspiration for pursuing friends in a new way, this eloquent and practical book explores the gift of silence, the art of receiving, and what it means to just show up.

Iron Man Cal Ripken Jr.—the 19-time All-Star, World-Series winning legend, American League MVP, and record holder who played 2,632 consecutive games—outlines eight rules for the game of baseball and life, drawn from the lessons he has learned on and off the field. Cal Ripken Jr. is a baseball legend. But legends aren't born, they're made. For twenty-one seasons, Ripken took the field day in and day out, through cold, heat, rain, and sometimes snow, playing in more than 3,000 games for the Baltimore Orioles. In 1983, the revered shortstop helped lead his team to victory in the World Series. On September 6, 1995, Ripken did the seemingly impossible, he surpassed Lou Gehrig's unbreakable fifty-six-year-old Iron Man record, setting a new mark of 2,131 consecutive games—then played another 501 consecutive games. Throughout his career, Ripken was admired for his consistency, hard work, and loyalty. There were successes and failures, but above all was an old-fashioned sense of doing what's right, every single day. Since retiring in 2001, Ripken has enjoyed a successful career as a baseball analyst, entrepreneur, and author. Now, in Just Show Up, he reflects on his life and career to offer lessons for the next generation and those to come. Ripken speaks eloquently about the timeless values he has lived by: Life is a streak, play the long game, Success and money are not the same, Play fair, win fair. And he shares stories of his legendary father, Baltimore Oriole coach and manager Cal Ripken Sr., what it took to keep the streak alive, and what it meant to bring the World Series to Baltimore. Cal Ripken's message is simple yet poignant, wisdom essential to anyone trying to forge a successful life in times that are often chaotic. Blending insights from sports, business, and a life well-lived, Just Show Up is the story of an American legend and the principles he has lived by—standards our time needs.
