"Blake needs a wife in order to keep his inheritance and offers Samantha ten million dollars for a one year marriage contract. It was a marriage contract the planned for everything ... except falling in love"--

Finding her father's wealth a dubious blessing, Eleanor Transome nonetheless agrees to become engaged to Lord Randolph Falloden, an arrogant earl who is unable to resist the lure of cold cash.

Carter Billings: & ;Sandy blond hair and Hollywood good looks, Carter Billings could have any woman he wants. However, when he makes his bid for the Governor's seat in the state of California, he needs to settle down and become a family man. Eliza, the woman he secretly adores, embodies the perfect amount of spice and passion to suit his marital needs, but she's not interested in becoming Mrs. Billings. She can't even stand to be in the same room with him.& ;Eliza Havens:& ;It's much easier to drive Carter away than to give into desire. Matching couples is how she earns a living, but getting married isn't an option. The secrets she carries are too dangerous to entangle anyone else. When her hidden identity and past threaten her future, she's left with little choice. Carter is quick to offer solutions to both their problems, but saying yes could mean endangering the man she's growing to love.

The funniest love story of the year, Call Me Irresistible is the book Susan Elizabeth Phillips fans have been craving. The beloved New York Times bestselling author returns with a delightfully sassy, sexy, and downright irresistible tale of true love Texas style. Ted Beaudine, one of Phillips's most charming characters (the adolescent heartbreaker from her hilarious debut, Fancy Pants, and the new college graduate from Lady Be Good) is now all grown up and in a heap of romantic trouble all his own—in a perfectly marvelous contemporary romance that fans of Emily Giffin, Kristen Hannah, and Elin Hilderbrand will simply adore.

DANGEROUS CURVES AHEAD Sugar Jamison Ellis Garrett is dumping her

critical boyfriend, opening a plus-size clothing store, and starting a blog—all to spread the word that fashion shouldn't require a size-two body, and happiness should allow for the occasional cupcake. Or two. But is indulging fantasies about her sister's long-ago ex, the still-hunky Michael Edwards, biting off more than she can chew? Mike must be losing his detective's touch. He doesn't recognize Ellis when he bumps into her at Size Me Up, and he certainly doesn't remember his ex-girlfriend's outspoken sister being so irresistible. Her curves are indeed dangerous—and so is her wit. Could it be that Ellis is his Perfect Fit? One thing's for sure: Mike will make it his sworn duty to find out...

Secrets. Everyone has one. Some are bigger than others. And when secrets are revealed, some will heal you ... And some will end you. Kate Sedgwick's life has been anything but typical. She's endured hardship and tragedy, but throughout it all she remains happy and optimistic (there's a reason her best friend Gus calls her Bright Side). Kate is strong-willed, funny, smart, and musically gifted. She's also never believed in love. So when Kate leaves San Diego to attend college in the small town of Grant, Minnesota, the last thing she expects is to fall in love with Keller Banks. They both feel it. But they each have a reason to fight it. They each have a secret. And when secrets are revealed, some will heal you ... And some will end you.

family she's made and the family that made her at the outbreak of World War I. The start of a marriage. The end of a dynasty. It's 1911 and Greta Goldbaum is forced to move from glittering Vienna to damp England to wed Albert, a distant cousin. The Goldbaum family are one of the wealthiest in the world, with palaces across Europe, but as Jews and perpetual outsiders they know that strength lies in family. At first defiant and lonely, slowly Greta softens toward Albert, and as the wild paths and untamed beauty of Greta's new English garden begin to take shape, so too does their love begin to blossom. But World War I looms and even the influential Goldbaums cannot alter its course. For the first time in two hundred years, the family will find itself on opposing sides, and Greta will have to choose: the family she's created, or the one she left behind.
