Ladies Of The Stone is a 4 story book by Eliza Knight, Madeline Martin, Cecelia Mecca and Lori Ann Bailey. This is an amazing book written by 4 amazing authors, each with their own story as through time. What I loved best about this book was that all the writer have similar writing style so the book just flows and each story is so original.

Nine Ladies is a Bronze Age stone circle located on Stanton Moor, Derbyshire, England. Part of the Peak District National Park, the site is owned by English Heritage and is often visited by tourists and hill walkers. Druids and pagans occasionally celebrate summer solstice there. The Peak District Boundary Walk runs past the monument.

Lady Sylph ’ s only concerns should be inheriting her title, marrying well, producing an heir, and lording it all over the peasantry. It ’ s what her father insists upon, and she never knew she needed anything or anyone else until her magic comes, an ability her class is not supposed to possess. Thana never coveted the title of monarch ’ s pyradist é because her knowledge exceeds her ability. She hopes the royals will never depend on her, but then the palace ’ s pyramids go

haywire. On top of that, a beautiful, spoiled noblewoman needs her help to conceal a new power. Could Sylph's ability and Thana's magical mystery be related to a new kind of crystal being smuggled into the kingdom or a possible pyradist é coup? They'll have to work together and overcome their biases, admit their feelings, and maybe surrender to their fierce desire before time runs out.

Four bestselling authors take you on an epic journey through Scotland... From within the soul of a special stone, the embodiment of the heart of Scotland, a protector is selected. A woman with a pure heart and the ferocity of a warrior is called to the fairy pools on the Isle of Skye upon the death of the previous protector. However, nature has a way of balancing itself, and so with each call to a Protector comes the call of an evil force, set on using the stone for their own purpose. These are the stories of the Protectors of the Heart of Scotland, the stone they seek to keep safe and the love that strengthens and emboldens them.

The story of a dying man and a waning empire  
The Stone Woman has stood on the Sea of Marmara near Istanbul for generations. The ancient pagan icon has become a confessor, allowing people to release their guilt without consequence. Close to the Stone Woman is the family home of Iskander Pasha, a distant descendant of an exiled Ottoman courtier. When the aged Iskander suffers a stroke, his family rushes to his side to hear his last stories. As the dying man revisits his life, a complex family drama emerges, tracing the labored final breaths of an empire in decline. Through the diverse Pasha clan, Tariq Ali reveals sexual intrigue, political unrest, and domestic tension simmering in the ashes of the Ottoman Empire. In the third book of his acclaimed Islam Quintet, Ali draws a nuanced and powerful portrait of the Muslim world.

It's Midsummer Night – no time for dreaming. Because sometimes, when there's more than one reality at play, too much dreaming can make the walls between them come tumbling down. Unfortunately there's usually a damned good reason for there being walls between them in the first place – to keep things out. Things who want to make mischief and play havoc with the natural order. Granny Weatherwax and her tiny coven of witches are up against real elves. And they're spectacularly nasty creatures. Even in a world of dwarves, wizards, trolls, Morris dancers – and the odd orang-utan – this is going to cause trouble... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel *Lords and Ladies* wittily and faithfully reimagines the story for the stage.

The English-language debut of one of Japan's most talented contemporary writers, selling over 650,000 copies there, *Convenience Store Woman* is the heartwarming and surprising story of thirty-six-year-old Tokyo resident Keiko Furukura. Keiko has never fit in, neither in her family, nor in school, but when at the age of eighteen she begins working at the Hiiromachi branch of "Smile Mart," she finds peace and purpose in her life. In the store, unlike anywhere else, she understands the rules of social interaction—many are laid out line by line in the store's manual—and she does her best to copy the dress, mannerisms, and speech of her colleagues, playing the part of a "normal" person excellently, more or less. Managers come and go, but Keiko stays at the store for eighteen years. It's almost hard to tell where the store ends and she begins. Keiko is very happy, but the people close to her, from her family to her coworkers, increasingly pressure her to find a husband, and to start a proper career, prompting her to take desperate action... A brilliant depiction of an unusual psyche and a world hidden from view, *Convenience Store Woman* is an ironic and sharp-eyed look at contemporary work culture and the pressures to conform, as well as a charming and completely fresh portrait of an unforgettable heroine.

"What caused a few women to counter the trends and choose these professions? What difficulties did they face in fields so new to them? And did the influences that marked their early histories reveal themselves in their work and careers? Anna Lewis's book raises these questions, central for young people considering the future." —Denise Scott Brown, cofounder of Venturi, Scott Brown and Associates  
Women of Steel and Stone tells the stories of 22 determined women who helped build the world we live in. Thoroughly researched and engaging profiles describe these builders' and designers' strengths, passions, and interests as they were growing up; where those traits took them; and what they achieved. Inspiring a new generation of girls who are increasingly encouraged to engage in STEM (Science, Technology, Engineering, Math) education and professions, the biographies stress work, perseverance, creativity, and overcoming challenges and obstacles. Set against the backdrop of landmark events such as the women's suffrage movement, the civil rights movement, the industrial revolution, and more, the profiles offer not only important historical context but also a look at some of the celebrated architects and engineers working today. Sidebars on related topics, source notes, and a bibliography make this an invaluable resource for further study. Anna M. Lewis is an award-winning toy inventor and creativity advocate. Her company, Ideasplash, promotes child creativity through her writing, websites, and classes and presentations in schools. She has contributed to *Appleseeds*, *Odyssey*, and *Toy Design Monthly* and currently teaches for Young Rembrandts, an afterschool art program, as well as classes on cartooning, game design, arts and crafts, monster making, and painting.

NEW YORK TIMES BESTSELLER "Not your typical Hollywood autobiography. Brutally honest, restless and questing." —O, The Oprah Magazine  
Sharon Stone tells her own story: a journey of healing, love, and purpose. Sharon Stone, one of the most renowned actresses in the world, suffered a massive stroke that cost her not only her health, but her career, family, fortune, and global fame. In *The Beauty of Living Twice*, Stone chronicles her efforts to rebuild her life and writes about her slow road back to wholeness and health. In a business that doesn't accept failure, in a world where too many voices are silenced, Stone found the power to return, the courage to speak up, and the will to make a difference in the lives of men, women, and children around the globe. Over the course of these intimate pages, as candid as a personal conversation, Stone talks about her pivotal roles, her life-changing friendships, her worst disappointments, and her greatest accomplishments. She reveals how she went from a childhood of trauma and violence to a career in an industry that in many ways echoed those same assaults, under cover of money and glamour. She describes the strength and meaning she found in her children, and in her humanitarian efforts. And ultimately, she shares how she fought her way back to find not only her truth, but her family's reconciliation and love. Stone made headlines not just for her beauty and her talent, but for her candor and her refusal to "play nice," and it's those same qualities that make this memoir so powerful. *The Beauty of Living Twice* is a book for the wounded and a book for the survivors; it's a celebration of women's strength and resilience, a reckoning, and a call to activism. It is proof that it's never too late to raise your voice and speak out.

*A Heart of Stone* is a riveting novel by Jean Webb, which tells the compelling story of two people who must overcome challenges and cross oceans to be together. Jane MacFarland is a young child living in Scotland, who is left orphaned when her parents are murdered by outlaws. She is adopted by her aunt and uncle, who raise Jane as one of their own. When she is a young woman, she falls in love with the handsome Jon Stonebrook, a sea pirate from America who kidnaps her and takes her to America on his ship *Dream Lady*. In America, Jane falls in love with Jon and his country, and they marry. When fate separates the couple, they must learn to battle time and distance to be together again.

Here, archaeologically documented, is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.
