The cast of characters surrounding Lenny is extraordinary: his father, Sy, a high-powered news executive; his mother, Roxie Roker, a television star; and Lisa Bonet, the young actress who becomes his muse. The central character, of course, is Lenny, who, despite his great aspirational energy, turns down record deal after record deal until he finds his true voice. The creation of that voice, the same voice that is able to declare “ Let Love Rule ” to an international audience, is the very heart of this story. “ Whether recording, performing, or writing a book, ” says Lenny, “ my art is about listening to the
