"A graphic portrait of evil." --M. William Phelps "One of the best true crime books of all time." --Examiner.com "The book to read about Aileen Wuornos—a case that has fascinated true crime fans from around the world." --True Crime Book Reviews As a child, she was abandoned, abused and raped. By her teens, she was deep into a lifestyle of hitchhiking, petty crime, and the sex trade. In her twisted mind, uncontrollable bouts of violence were pure survival skills. In 1986 she began a lesbian relationship with Tyria Moore. Three years later, tired of turning tricks, she fired four bullets into one of her clients--then robbed him. She claimed she killed six more victims before authorities finally locked her behind bars. Award-winning journalist Sue Russell updates her harrowing and definitive real-life thriller with new details of the most famous female serial killer's decade on death row, her execution in 2002--and the lasting impact of her dark deeds. The case that inspired the Academy Awarding-winning movie Monster "A riveting and fascinating tale." --Robert Scott With 16 Pages Of Photos

If they expected silence, they hired the wrong woman. Caroline Bragg's life has never been better. She and Brandon Lancaster are taking their relationship to the next level, and she has a new dream job as legal counsel for Praecursoria—a research lab that is making waves with its cutting-edge genetic therapies. The company's leukemia treatments even promise to save desperately sick kids—kids like eleven-year-old Bethany, a critically ill foster child at Brandon’s foster home. When Caroline’s enthusiastic boss wants to enroll Bethany in experimental trials prematurely, Caroline objects, putting her at odds with her colleagues. They claim the only goal at Praecursoria is to save lives. But does someone have another agenda? Brandon faces his own crisis. As laws governing foster homes shift, he’s on the brink of losing the group home he’s worked so hard to build. When Caroline learns he’s a Praecursoria investor, it becomes legally impossible to confide in him. Will the secrets she keeps become a wedge that separates them forever? And can she save Bethany from the very treatments designed to heal her? This latest romantic legal thriller by bestseller Cara Putman shines a light on the shadowy world of scientific secrets and corporate vendettas—and the ethical dilemmas that plague the place where science and commerce meet. "Intriguing characters. Romantic tension. Edge-of-your-seat suspense. And a fast-paced ending that will leave you exhausted (in a good way!)." —Robert Whitlow, award-winning author of Promised Land

Would you kill, to save a life? DCC Bob Skinner faces a life-changing dilemma... 'If we are right about this, the stakes are higher than anything I've ever faced.' Gangsters have infiltrated Edinburgh. MI5 are on their case and, unknown to Deputy Chief Constable Bob Skinner, have set up a drug-dealing sting to flush the them out. The resulting mayhem throws everyone into confusion until they realise the gangsters are preparing a hit on one of the Royal family. Meanwhile two policemen mourn the loss of a son and a daughter in mysterious circumstances, and another witnesses his son being abducted. Is someone trying to wreak revenge on the police force? Are the crimes linked? Quintin Jardine keeps you guessing until the end in this tautly plotted and powerful novel.

End-of-life care—or assisted death When her elderly patients start dying at home days after minor surgery, anesthesiologist Dr. Kate Downey wants to know why. The surgeon, not so much. "Old people die, that's what they do," is his response. When Kate presses, surgeon Charles Ricken places the blame squarely on her shoulders. Kate is currently on probation, and the chief of staff sides with the surgeon, leaving Kate to prove her innocence and save her own career. With her husband in a prolonged coma, it's all she has left. Aided by her eccentric Great Aunt Irm, a precocious medical student, and the lawyer son of a victim, Kate launches her own unorthodox investigation of these unexpected deaths. As she comes closer to exposing the culprit's identity, she faces professional intimidation, threats to her life, a home invasion, and, tragically, the suspicious death of someone close to her. The stakes escalate to the breaking point when Kate, under violent duress, is forced to choose which of her loved ones to save—and which must be sacrificed. Perfect for fans of Kathy Reichs and Tess Gerritsen

"A client savagely kills a man to protect a friend. A lawyer with secrets must prove it was justified. Attorney Nate Shepherd left a big firm to go out on his own. He sees nothing but opportunity when an out-of-town lawyer wants to hire him as local counsel on a high-profile murder case. Though his family worries that the case hits too close to home, Nate joins the defense team. When circumstances force him to take on a bigger role, Nate ignores his family's fears and throws himself into his client's defense. But as he digs deeper, every aspect of the case raises memories of a terrible event that Nate has tried his best to bury. Battling an aggressive prosecutor in court and a dogged reporter outside it, Nate fights to prove that his client's brutal, bloody slaying of an evil victim was right. But when Nate's own story is exposed, it threatens his client's freedom ... and Nate's carefully constructed life"--Amazon.com.

Isla Redding (Isla is pronounced ai lah), an American, travels to England, her mother's birthplace, and the scene of her mother's suicide. There, Isla's investigation is assisted by her uncle, who is her only ally, until Rory Sunderson from Scotland Yard reveals a plot that explains the mysterious end to her mother's life.
