Directed by Britmic, Sam Mason-Bell, Rob Ulitski. With Jessica Hunt, Martin W.

Payne, Kevin Cordell, Ryan Carter. An anthology of horror stories based on global conspiracy theories

What is it about lighthouses that make them bastions of spiritual activity? Built for strength and permanence, they are nonetheless vulnerable, protecting lives yet isolated and remote. Unforgiving of human frailty, these outposts inevitably become the settings for tragedy—and for the spirits that linger on at the site of their ruined hopes, their sufferings, their obsessions. With its incessant fogs and infamously craggy coast, Maine has the second highest number of lighthouses in the country. Many of these 64 beacons are shrouded in wisps of rumor and mystery. There are ongoing strange and eerie events and occurrences that recall past violence or sadness—stranded crews who resorted to cannibalism, keepers driven to madness by unending days of blinding fog, children drowned in shipwrecks. Author Taryn Plumb explores the ghostly tales and mysteries surrounding Maine lighthouses. Some hauntings can be directly tied to a known historical event, while others seem to have no origin, yet all will enthrall you with their spookiness.

Fill your upcoming 2019, with 16 months of Lighthouses all year round. This beautiful mini calendar contains 16 months and 3 mini 2018, 2019, and 2020 year calendars.

Lighthouses and their Keepers have gone the way of the blacksmith and the milkman. Nevertheless, the weathered relic one mile off shore of Oregon's Tillamook Head reminds us of the once-powerful sentinel Tillamook Rock Lighthouse and her seventy-seven years of service, keeping the sea lanes open and seafarers safe. The brave men who stood duty on the light station learned quickly what isolation was all about, and many of them considered it the loneliest job in the world. The lighthouse earned the nickname "Terrible Tilly," due to the shattering experiences of the people on the monolith during horrific, pounding storms. With no way off the Rock, and no way to call for help, all the Keepers could do was "ride it out." This is the story of those who built it, those who manned it, and those who paid the ultimate price to keep the beacon burning. This is the fascinating history and tales of the Tillamook Rock Lighthouse, tall, proud, and strong.

In The Jersey Shore, Dominick Mazzagetti provides a modern re-telling of the history, culture, and landscapes of this famous region, from the 1600s to the present. The Shore, from Sandy Hook to Cape May, became a national resort in the late 1800s and contributes enormously to New Jersey's economy today. The devastation of Hurricane Sandy in 2012 underscored the area's central place in the state's identity and the rebuilding efforts after the storm restored its economic health. Divided into chronological and thematic sections, this book will attract

Read Free Lighthouses 2018 7 X 7 Inch Monthly Mini Wall Calendar Ocean Sea Coast Multilingual Edition

general readers interested in the history of the Shore: how it appeared to early European explorers; how the earliest settlers came to the beaches for the whaling trade; the first attractions for tourists in the nineteenth century; and how the coming of railroads, and ultimately automobiles, transformed the Shore into a major vacation destination over a century later. Mazzagetti also explores how the impact of changing national mores on development, race relations, and the environment, impacted the Shore in recent decades and will into the future. Ultimately, this book is an enthusiastic and comprehensive portrait by a native son, whose passion for the region is shared by millions of beachgoers throughout the Northeast.

The sheer beauty of the elegant, lonely lighthouses along our shores—and their unspoiled, scenic natural settings—has captivated our collective imagination. More than simply picturesque, the lighthouse has become an enduring symbol of salvation, fortitude, and heroic folklore. The Ultimate Book of Lighthouses is a comprehensive and fascinating work, where you'll discover: - Profiles of every kind of lighthouse, from the boldly striped 196-foot tower overlooking the notorious Diamond Shoals off Cape Hatteras, North Carolina, to the many octagonal and pyramidal beacons built to guide sailors into North American harbors - Fascinating information about lightships, foghorns, and modest beacons - Many remarkable engineering techniques used in constructing lighthouses - Historical examples of our ancestors' courageous efforts to guide mariners through treacherous seas and storms - Scores of stunning full-color photographs, and more! A celebration of one of America's purest landmarks, The Ultimate Book of Lighthouses is a must-have for any home.

A beloved picture book from two-time Caldecott Medal award-winner Sophie Blackall that transports readers to the seaside in timeless, nautical splendor! Watch the days and seasons pass as the wind blows, the fog rolls in, and icebergs drift by. Outside, there is water all around. Inside, the daily life of a lighthouse keeper and his family unfolds as the keeper boils water for tea, lights the lamp's wick, and writes every detail in his logbook. Step back in time and through the door of this iconic lighthouse into a cozy dollhouse-like interior with the extraordinary award-winning artist Sophie Blackall.

Your personal guide to one of the most iconic lighthouses in America! Portland Head Light has long been at the center of Maine's maritime history and lore, and is undoubtedly one of the state's greatest treasures...and All About Portland Head Light is a treasure trove of facts, figures, history and folklore surrounding this majestic beacon. In this book, you'll find: *The fascinating origins of Portland Head Light and the history of the surrounding region *True tales of shipwrecks and daring rescues *Efforts undertaken for preservation *Stories of colorful keepers In addition, this book is filled with information for visiting and viewing the lighthouse and neighboring Fort Williams. More than just a lighthouse handbook, this is your one-stop travel guide and reference source for touring and learning about this magnificent site, surrounded by beautiful Casco Bay. Expert author Jeremy D'Entremont has also added a companion title, All About Nubble Light, to his impressive body of work.

United States Lighthouse Society photographer David Zapatka travels to 17 states

Read Free Lighthouses 2018 7 X 7 Inch Monthly Mini Wall Calendar Ocean Sea Coast Multilingual Edition

capturing historic beacons from when they have always been meant to be seen: at night, under glorious star-filled skies. Follow David on his journeys as he recounts the perils of visiting unfamiliar locations deep into the night: marvel at the wonderful historic architecture of our nation's lighthouses; and learn the fascinating history of more than 160 beautiful towers. This followup to Stars & Lights: Darkest of Dark Nights, is David's second photography coffee table book, and is a perfect compliment as he presents dozens of unique lighthouse images never before published. Now a collaboration with the United States Lighthouse Society, the photographs are presented as individual portraits followed by tales of nighttime adventures.

Sixteen-year-old Jamie McGuinness's sister is dead. Sinking into a deep depression, he frequents the lighthouse where her body was discovered. When an angry spirit latches onto him, he's led down a dark and twisted path that uncovers old family secrets, destroying everything Jamie ever believed in.
