Arlley Mowbray is young, smart, and lonely. Very lonely. And then she strikes up a correspondence with a prison inmate, under the spell of his poetic, seductive letters, falls helplessly, stubbornly in love. Annie Singer is a tough, dedicated Texas lawyer hired to help Arley unite with her beloved. She does so, but against her own better judgment;and soon she's caught up in this disturbing and dangerous romance, and in her feelings for Arley, who's become the daughter she never had. When Dillon LeGrande comes after the girl he loves, Arley finds herself both aching for his touch and fearing for her life. And Annie begins to question her own choices;and to wonder what price she would pay for passion.

Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text.
