Organizing involves continuous challenges in the face of uncertainty and change. How is globalization impacting organizations? How will new strategies for a turbulent world affect organizational design? In this second edition of *Organization Theory and Design*, developed for students in the UK, Europe, the Middle East and Africa, respected academics Jonathan Murphy and Hugh Willmott continue to add an international perspective to Richard L. Daft's landmark text. Together they tackle these questions in a comprehensive, clear and accessible study of the subject.

Prepare your students for management success with this engaging survey of modern management practice. *UNDERSTANDING MANAGEMENT, 8E* seamlessly integrates classic management principles with today's latest management ideas to create a responsive market leading text that captivates your students. Acclaimed authors Richard Daft and Dorothy Marcic cover management and entrepreneurial issues within small- to mid-size companies where most students will begin their careers, as well as within larger global enterprises. Many examples focus on the constantly-evolving entertainment industry. Students gain valuable insights into real, contemporary business as they examine today's best management practices. This edition helps students establish and build upon practical skills they can readily
