Praise for the First Edition: "Serves as an excellent foundational text...I am very thankful that the authors wrote this text. [It] is written for school counselors by school counselor educators!" -Gene Eakin, PhD, School Counseling Program Lead, Oregon State University "The school counseling focus makes it unique... This is...a great improvement to other texts I've used and I plan to continue using it." -Dr. Carolyn Berger, Chair, Department of Counseling, Nova Southeastern University Fully updated to serve the needs of school counselors in training, this remains the only text to present a comprehensive, developmental, and practical approach to preparing school counselors to conceptualize the career development and college-readiness needs of P-12 students. The second edition reflects the ASCA's new Mindsets & Behaviors for Student Success, which focuses on college and career-readiness standards for all students, 2016 CACREP Standards, and the 2015 Every Student Succeeds Act. The text is uniquely grounded in developmental, ecosystemic, and career theories as a basis for career interventions. Considering the range of psychosocial, cognitive, and academic development spanning P-12 students, the authors review relevant developmental and career theories as a foundation for the design of sequential and developmentally appropriate career and college-readiness curricula and interventions. The text provides school counselors and educators concrete examples of how to select, implement, and evaluate the outcomes of interventions grounded in various career counseling theories and addresses career development and college readiness needs by grade level. Also included is expanded information on diversity; reflections and advice from actual school
