The mile is an English unit of length of linear measure equal to 5,280 feet, or 1,760 yards, and standardised as exactly 1,609.344 metres by international agreement in 1959.

Mile - Wikipedia

Mile, any of various units of distance, such as the statute mile of 5,280 feet (1.609 km). It originated from the Roman mille passus, or “ thousand paces, ” which measured 5,000 Roman feet. About the year 1500 the “ old London ” mile was defined as eight furlongs.

Miles Davis was not only a musical genius, but also an enigma, and nowhere else was he so compelling, exasperating, and entertaining as he was in his interviews, which vary from polite to outrageous, from straight-ahead to contrarian. Miles on Miles collects thirty of the most vital. Even his autobiography lacks the immediacy of the dialogues collected here. Many were conducted by leading journalists like Leonard Feather, Stephen Davis, Ben Sidran,

stunning images, many of them new, *Dreams of Duneland* showcases the breathtaking sand dunes, as well as the rest of this newly minted park, which includes savanna, wetland, prairie, and forest and is home to a wide variety of plant and animal species. Kenneth J. Schoon reveals how the preserved area of the Indiana Dunes National Park—which sits by residential communities, businesses, and cultural attractions—has a long history of competition among farmers, fur traders, industrialists, and conservationists. Featuring a new foreword and afterword and many updates throughout, this gorgeous new edition will have you planning a trip to the extraordinary Indiana Dunes.

a desperate trek. 72 hours before time runs out... The Lockwood brothers are supposed to be able to survive anything. Their dad, a hardcore believer in self-reliance, has stockpiled enough food and water at their isolated Nevada home to last for months. But when they are robbed of all their supplies during a massive blackout while their dad is out of town, John and Stew must walk 96 miles in the stark desert sun to get help. Along the way, they're forced to question their dad's insistence on self-reliance and ask just what it is that we owe to our neighbors, to our kin, and to ourselves. From talented newcomer J. L. Esplin comes this story of survival and determination as two young brothers confront the unpredictability of human nature in the face of desperate circumstances.

BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In 1850s South Carolina, an enslaved woman named Rose faced a crisis, the imminent sale of her daughter Ashley. Thinking quickly, she packed a cotton bag with a few precious items as a token of love and to try to ensure Ashley ' s survival. Soon after, the nine-year-old girl was separated from her mother and sold. Decades later, Ashley ' s granddaughter Ruth embroidered this family history on the bag in spare yet haunting language—including Rose ' s wish that “ It be filled with my Love always. ” Ruth ' s sewn words, the reason we remember Ashley ' s sack today, evoke a sweeping family story of loss and of love passed down through generations. Now, in this illuminating, deeply moving book inspired by

Get Free Miles

Rose ' s gift to Ashley, historian Tiya Miles carefully unearths these women ' s faint presence in archival records to follow the paths of their lives—and the lives of so many women like them—to write a singular and revelatory history of the experience of slavery, and the uncertain freedom afterward, in the United States. The search to uncover this history is part of the story itself. For where the historical record falls short of capturing Rose ' s, Ashley ' s, and Ruth ' s full lives, Miles turns to objects and to art as equally important sources, assembling a chorus of women ' s and families ' stories and critiquing the scant archives that for decades have overlooked so many. The contents of Ashley ' s sack—a tattered dress, handfuls of pecans, a braid of hair, “ my Love

Get Free Miles

always ” —are eloquent evidence of the lives these women lived. As she follows Ashley ’ s journey, Miles metaphorically unpacks the bag, deepening its emotional resonance and exploring the meanings and significance of everything it contained. All That She Carried is a poignant story of resilience and of love passed down through generations of women against steep odds. It honors the creativity and fierce resourcefulness of people who preserved family ties even when official systems refused to do so, and it serves as a visionary illustration of how to reconstruct and recount their stories today.

In 1848 William and Ellen Craft made one of the most daring and remarkable escapes in the history of

Get Free Miles

slavery in America. With fair-skinned Ellen in the guise of a white male planter and William posing as her servant, the Crafts traveled by rail and ship--in plain sight and relative luxury--from bondage in Macon, Georgia, to freedom first in Philadelphia, then Boston, and ultimately England. This edition of their thrilling story is newly typeset from the original 1860 text. Eleven annotated supplementary readings, drawn from a variety of contemporary sources, help to place the Crafts ' story within the complex cultural currents of transatlantic abolitionism.

Katherine Gates has been in love with Cash Greer since the moment he saved her life from a runaway goat. According to Cash, she ' s the little sister he never had, the greatest

roommate in the world and his favorite coworker. They ' re friends—best friends. In the dark days of her youth, it was her friendships that kept her alive and made life in a junkyard worth living. So she ' s learned to shove her feelings for Cash down deep, even if that means ignoring eyes that shine brighter than the Montana summer sun and the smile that illuminates the snowiest winter day. Except with every passing year, the denial takes its toll on her wounded heart until one day Katherine decides to take an impulsive road trip to the Oregon coast. Alone. That is, until Cash cons his way into the passenger seat. The farther they travel, the harder it is to pretend. And when she confesses her feelings, she learns that Cash has some secrets of his own. Secrets that will either bond

them together. Or rip them apart.

A thorough history follows the evolution of the New York subway system from visionary idea, through political machinations and feats of urban planning, to engineering reality, and looks at the diverse ways in which mass transportation has shaped New York City and the lives of its inhabitants. Reprint.

Emerging from post-Civil War America, Miles College was formally founded in 1905 by the Christian Methodist Episcopal Church. Efforts to found the college began in 1898 as part of the struggle to create equal educational opportunities for Birmingham's African-American middle class and expanding working class. Since then, the college has

Get Free Miles

aimed to develop students intellectually, ethically, and spiritually and has remained affiliated with its founder. Originally chartered as Miles Memorial College, in honor of Bishop William H. Miles, the name of the college was changed by the trustees in 1941 to its current name, Miles College. The four-year, liberal arts Historically Black College (HBCU) is currently located in Fairfield, Alabama, six miles west of downtown Birmingham. In recent years, the college has had an annual enrollment of over 1,700. The close relationship Miles College established with the community is still maintained today.

Miles discusses his life and music from playing trumpet in high school to the new instruments and sounds from the Caribbean.

"Now there was nothing holding me back. I kissed her deeply, passionately. Kissed her for every time I'd wanted to and couldn't. For every time I'd stared at her with longing in my heart, wishing we could be where we were now." It's never too late. Loving a woman you can't have isn't easy. I endured the slow torture of watching Shannon Miles live a life with another man--a man who didn't deserve her--but I don't regret a minute of it. And I have my reasons. Now, she's free. No longer shackled to a loveless marriage, bound to someone who was unfaithful and heartless. But Shannon thinks her time has passed. That she won't get another chance at love, especially not with the man who's been there to see it all. The hurt. The mistakes. The heartache. If only she

Get Free Miles

knew. I love that woman with everything I am, and I want nothing more in this life than to spend every moment with her. It's time for our happily ever after.
