Essential Kanji is an integrated course for learning to read and write the 2,000 basic Japanese characters. It introduces the kanji that are now in everyday use, a mastery of which makes it possible to read most modern Japanese. Devised for either home or classroom use, the book has been tested and refined by years of use in university classes taught by the author.

lectures. To this day they have few rivals for clarity of exposition and depth of insight. Although very popular when first published, many of the lectures have been difficult to obtain recently. Graduate students and professionals in high-energy physics will welcome this collection by a master of the field.
