"Marvelously captivating." — The New York Times. First published in 1940, Saroyan’s international bestseller recounts the exploits of an Armenian clan in norhern California at the turn of the 20th century. Based on the author’s loving and eccentric extended family, the characters in these 14 related short stories provide humorous and touching scenes from immigrant life.

A small boy finds excitement and promise in the daily life of his California valley during the early years of the twentieth century in this collection of short stories

Eleven of William Saroyan's most delightful tales, Fresno Stories springs straight from the source of the author's vision--"the archetypal Armenian families who inhabit Saroyan country, in and around Fresno, California." (Chicago Tribune)

Shares stories of childhood as seen through the eyes of a young Armenian boy in Fresno, California.

Follow a stray cat as she braves the snowy city streets to find a home in this nearly-wordless picture book. A calico cat with curious eyes cautiously approaches a grocery store. . . . only to be shoed away by the owner with a broom. She keeps wandering, and tries to climb on a city bus-- but the driver tells her to SCRAM! Disheartened, the cat huddles down as snow begins to fall-- until another bus pulls up, and the driver welcomes her aboard. And when an old man sits down beside her, the cat makes a friend for life-- and finally finds the home she's been searching for. A purr-fect pick for cat lovers, this heartwarming picture book features a simple text, heavy with onomatopoeia, and striking, bold illustrations that carry the story, depicting the charming cat's range of emotions. See how a simple act of kindness can change lives forever. Young readers will empathize with the strong emotional content—hunger, loneliness, and rejection, giving way to contentment and joy—and delight in the expressive illustrations.

All his life a man fights death, and then at last loses the fight, always having known he would. Loneliness is every man's portion, and failure. The man who seeks to escape from loneliness is a lunatic. The man who does not know that all is failure is a fool. The man who does not laugh at these things is a bore. Arak Vagramian, a handsome son of Armenian immigrants, contended with his small-town bar-tending job in Fresno, is one day spotted by a Hollywood filmmaker. Although at first he refuses to leave his hometown, job, family and friends, soon the splendour of Hollywood lifestyle lures him. Shortly after he becomes Rock Wagram – a Hollywood heart-throb and celebrity. But at the peak of his career he decides to enter the army and serve his country during the war. When in 1950 he attempts to resume his acting career he battles with the many challenges which the fast changing industry throws at him. Rock Wagram, first published in 1951, is an inspiring tale about one's search for the true identity in the unstable world of commercial success, where family ties and loyalties often have to be compromised.

The son of the late William Saroyan describes his father's struggle against cancer and the family's attempts to become closer to the dying writer
