"Most self-help books are trite. They don't tell you anything you don't already know, and if you could follow their advice, you wouldn't need to read the book in the first place. This book, however, is radically different. It assumes that you are a normal happy person and want to experience the misery that so many others complain about. It gives some great advice on how to bring yourself to hell on earth, -- and bring all of your family, friends, and co-workers right along with you! Best of all, you can do all this while rolling on the floor with laughter. Give this book to anyone whose cheerful mood annoys you when you are down in the dumps. I totally recommend this book for anyone even slightly Unhappy or those who love them !!! "I totally recommend this book for anyone even slightly Unhappy or those who love them !! It's fabulous. We had a great time, saw ourselves and others in the pages and since, unfortunately, this whole family is part of the 20% of happy people in a miserable world, the laughs were frequent and heartfelt." "I've read through bunches of self-help books. Of all of them, I think "Born to Win" and this book are the only two that will persist on my shelves." "The book is a delightful take hon the American way. Written with insight and humor, the author takes you into misery as a way of life and offers clever ways of maintaining your miserable status. I read it in one evening and thoroughly enjoyed the wacky humor and uncanny knowledge of how we make ourselves sick with unnecessary worry and self doubt. Read it with a sense of humor and you can't help but love it the way I did." "This is a great book to have on your living room coffee table or bedside, so that you can pick it up often, open to any page, and laugh at how ludicrous we can be on a regular basis. I have taught social dance classes for over 20 years, and my goal is to provide an arena in which people have the freedom to laugh at themselves while learning about something new. Gil's book provides me and others with that freedom. I highly recommend it!" "This is a good book when one feels down and needs an uplift. It allows one to realize not to take life so seriously. Very enjoyable reading."

The first handbook to include detailed information on all 615 conifers, temperate as well as tropical, this encyclopedic work offers users as diverse as ecologists, gardeners, foresters and conservationists the accumulated knowledge of these trees obtained in 30 years of academic research, presented in an easily searchable format.

This revised and updated handbook includes detailed information on all 615 conifers, temperate as well

as tropical, this encyclopedic work offers users as diverse as ecologists, gardeners, foresters and conservationists the accumulated knowledge of these trees obtained in 35 years of academic research, presented in an easily searchable format.

Written by an expert dog whisperer and dog owner, the Kelpie Complete Owner's Manual has the answers you may need when researching this tireless herding breed. Learn about this highly energetic, very smart, purebred and find out whether or not this outstanding working dog will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Kelpie's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Kelpie, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Temperament - Pros and Cons - Vital statistics - Before you buy - Choosing the right dog - Finding a breeder - Puppy proofing your home - The first weeks - Health and common health problems - Medical care & safety - Daily care - Feeding - Bad treats and snacks - Good treats and snacks - House training - Grooming - Training - Poisonous Foods & Plants - Caring for your aging dog and much more.

This new edition of a one-of-a-kind handbook provides an essential updating to keep the book current with technology and practice. New coverage of topics such as machine-room-less systems and current operation and control procedures, ensures that this revision maintains its standing as the premier general reference on vertical transportation. A team of new contributors has been assembled to shepherd the book into this new edition and provide the expertise to keep it up to date in future editions. A new copublishing partnership with Elevator World Magazine ensures that the quality of the revision is kept at the highest level, enabled by Elevator World's Editor, Bob Caporale, joining George Strakosch as co-editor.

The definitive guide to global prayer has been updated and revised to cover the entire populated world. Whether you are an intercessor praying behind the scenes or a missionary abroad, Operation World gives you the information you need to play a vital role in fulfilling the Great Commission. (Copublished with Global Mapping International.)

"... success experts teach you how to motivate yourself and succeed every time"--Cover.

The premiere guide for choosing homeschool curriculum. For beginners or veterans, Cathy helps you wade through the curriculum jungle to choose what's right for each of your children. Reviews of hundreds of books, games, videos, computer programs, parent helps, and much, much more for all subjects.-- Learning styles: Cathy helps you determine each child's learning style, then choose methods and resources that fit each child.-- What your child needs to know -- what is typically taught at each grade level-- Which resources allow your children to work independently, which work best taught one-on-one-- Identifying and dealing with learning disabilities plus a list of consultants for extra help--

Testing: the good and bad of testing, different kinds of tests, where to get them, testing services-- Addresses, phone numbers, faxes, e-mail, and web sites for all publishers and distributors-- How to consolidate your shopping and save shipping costs

This second edition of the hugely successful Handbook of Child and Adolescent Clinical Psychology incorporates important advances in the field to provide a reliable and accessible source of practical advice. Beginning with a set of general conceptual frameworks for practice, the book gives specific guidance on the management of problems commonly encountered in clinical work with children and adolescents, drawing on best practice in the fields of clinical psychology and family therapy. In six sections, thorough and comprehensive coverage of the following areas is provided: frameworks for practice problems of infancy and early childhood problems of middle childhood problems in adolescence child abuse adjustment to major life transitions. Each chapter dealing with specific clinical problems includes detailed discussion of diagnosis, classification, epidemiology and clinical features, as well as illustrative case examples. This book will be invaluable both as a reference work for experienced practitioners, and an up-to-date, evidence-based practice manual for clinical psychologists in training. The Handbook of Child and Adolescent Clinical Psychology is one of a set of three handbooks published by Routledge, which includes The Handbook of Adult Clinical Psychology (Edited by Alan Carr & Muireann McNulty) and The Handbook of Intellectual Disability and Clinical Psychology Practice (Edited by Alan Carr, Gary O'Reilly, Patricia Noonan Walsh and John McEvoy).
