With its comprehensive curriculum providing a sound basis in the fundamentals of math, art, history, language arts, science, and technology, the phenomenally successful Core Knowledge series has become an esteemed tool for parents and teachers striving to better educate today's children. And since it is agreed that the first years of schooling are crucial to a child's lifetime educational achievements, it is no wonder that parents and teachers alike have been asking for a volume for kindergartners. This primer for those just beginning their school careers was devised with the contributions of over 2,000 parents, educators and students, distilled into a user-friendly volume specifically designed for parents to use with their children. Eighty pages of four-color illustrations enliven the new, bold design of this latest title in a series adopted by hundreds of schools nationwide and appreciated by thousands of adults looking to instill in children a lifetime love of learning.

How to Use The Personal Finance - Common Core Lessons and Activities book: [[Work through the lessons and activities as a class to teach your students higher-order thinking, analysis, and 21st century skills necessary to meet new Common Core expectations. [[Allow students to work through the lessons independently to build and practice These new skills. [[Include technology, collaboration, presentations, and discussion in the activities as you desire - you can decide how in-depth to go. [[Watch your class develop new abilities to meet the rigor of Common Core State Standards, right before your eyes! Tips: [[Use some of the pages - or use them all - based on your grade, your students, your curriculum, and your needs. [[Use these pages at their current size, or if you prefer them to be 8.5" X 11," enlarge it to 125% on your copy machine.
