Rupi Kaur Reads Timeless from Her Poetry Collection The Sun and Her FlowersNayyirah Waheed Nejma

I really enjoyed Salt by Nayyirah Waheed, so I thought I would give her other poetry collection a go as well. Nejma was definitely an interesting collection as well, however, it didn't manage to woe me as much as its predecessor.

Nonetheless, Nayyirah remains a super fascinating figure to me and I wish she was still publishing today.

Nejma by Nayyirah Waheed - Goodreads

Salt was my first introduction to Nayyirah Waheed. Then I read Nejma and I became enamoured all over again. I feel that it's futile to compare the books because they each have a distinct personality in how they have been created. The poems in Nejma speak to me in ways I hadn't experienced when learning about poetry in High School.

self-help collection offers ready salves to our daily life experiences. *I'm Rising* is organized into three chapters entitled *Evolving*, *Resilience*, and *Rising* to aid in finding those special words meant for us.

From navigating the oft competing worlds of religion and desire, to balancing society's expectations with the raw experience of being a woman in the world; from detailing the experiences of growing up as a first generation black British woman, to working through situations of dependence and abuse; from finding solace in the echoing caverns of depression and loss, to exploring the vulnerability and redemption in falling in love, each of the raw and immediate poems in Daley-Ward's *bone* resonate to the core of what it means to be human.

Winner of the PEN Ackerley Prize • Longlisted for the 2019 PEN Open Book Award • Devastating and lyrical. • The New York Times • Suspenseful and affecting. • The New Yorker

From the celebrated poet behind *bone*, a collection of poems that tells a story of coming-of-age, uncovering the cruelty and beauty of the world, going under, and finding redemption. Through her signature sharp, searing poems, this is the story of Yrsa Daley-Ward and all the things that happened. • Even the terrible things. And God, there were terrible things. • It's about her childhood in the northwest of England with her beautiful, careworn mother Marcia; the man formerly known as Dad (half fun, half frightening); and her little brother Roo, who sees things written in the stars. It's also about the surreal magic of adolescence, about growing up and discovering the power and fear of sexuality, about pitch-gray days of pills and powder and connection. It's about damage and pain, but also joy. With raw intensity and shocking honesty, *The Terrible* is a collection of poems that tells the
