negotiation experience as both buyer and seller, author Stephen Guth offers insight into a world of negotiations and contracts that few ever see. This book isn't a feel-good book on win-win negotiations. It's an insider's view into real life negotiation tactics and ploys. Readers will learn how to use negotiation tactics such as the Columbo, the Price Slice and Dice, and the Signature Limit Lasso. Readers will also learn how to spot and counter vendor ploys such as the Pop-Tart, Mirroring, and the Only Game in Town. To put it all together, readers are instructed on contract drafting tricks such as Expressly Implied Warranties, the Endless Indemnification, and the Unlimited Limitation of Liability. Readers will never look at contracts the same way again.

Managing Price is a must-have guide for procurement professionals involved in supplier negotiations. The multidisciplinary approach presented in this book will enable you to: Master a proven negotiation process going from market analysis to contract completion in 4 logical steps. Ensure fair pricing on all commodities. Create effective strategies for supply chain cost management. Secure the best price while retaining a great supplier relationship. "Jack Self has developed his supply chain negotiation skills to the level of an art. Strong tools and knowledge, great preparation and diversified experience are the cornerstones of his ability. Above all, he always has a plan!" - Marco Spain, V.P. Finance & I.T., Le Groupe Harnois "Jack Self's knowledge and experience in high-stakes negotiation is remarkable. negotiations. Jack's approach to negotiation is well structured and formal but strongly grounded to practice." - Angel Ruiz, Professor of Administration, Laval University

Provides a step by step approach to successful negotiations tailored to the needs of purchasing professionals, by award-winning author Jonathan O'Brien.

A Practical Guide to E-Auctions for Procurement provides guidance to procurement professionals on how to realize the potential of e-auctions. Now is the time to optimize your e-negotiation strategy using key insights from the author Jacob Gorm Larsen, who is responsible for one of the most success and award-winning e-sourcing programs in the world. A Practical Guide to E-Auctions for Procurement presents a proven process for developing an e-auction and e-negotiation strategy, along with a catalogue of change management initiatives for securing buy-in internally in the organization. The different e-auction formats and benefits are explained in detail and demonstrated with practical examples, templates and advice that can be adopted by the reader. Jacob and the team at Maersk are at the forefront when it comes to developing robots that execute e-auctions from end-to-end and are kicking off a transformation that will fundamentally change how we consider e-auctions and negotiations. In addition, with learnings from more than 10,000 e-auctions globally, this is the book for those in procurement looking to implement, deliver and maintain a thriving e-auction program.
