Neon Genesis Evangelion 3-in-1 edition vol. 1 is a great buy for an Eva fan such as myself. Of course, it follows the same plot as the TV series, since it's a manga adaptation of the anime, but it's also different. It's got a surprising number of subtle changes that either occurred differently or didn't occur at all in the series.

A masterpiece that redefined anime more than twenty years ago, the original run of Neon Genesis Evangelion still holds up pretty damn well in its current 4:3 retro aspect ratio state. It's the series that paved the way for anime to be taken more seriously, helping to create a golden age for the art form in the late 1990s that included the likes of Ghost in the Shell, Cowboy Bebop and Serial ...

Everything ends here. Everything begins here. This is the epic finale of Neon Genesis Evangelion! -- VIZ Media

ARMAGEDDON, ALL OVER AGAIN Severely wounded in battle with Armaros, Shinji struggles to shoulder the responsibility of being Earth's savior yet again. Meanwhile, Asuka adjusts to her strange new body, and the clones Trois and Quatre continue their quest for their own identities. But their enemy wields the power of a god, and it's going to take every single one of them working together to prevent a reprise of the Human Instrumentality Project.

Suddenly, before his eyes, the sinister role played by Shinji's father Gendo in the whole conspiracy becomes shockingly clear! * A new take on the internationally successful Neon Genesis Evangelion mythos from creator Mingming! * Interest in the Evangelion series is reaching new heights with the theatrical release of the Rebuild of Evangelion movies. * Each volume contains gorgeous color artwork, creator notes, and your fan mail!

Japan's most controversial anime series is over...but not the manga version of Neon Genesis Evangelion! Series co-creator Yoshiyuki Sadamoto's personal interpretation of the Evangelion characters and story is sure to intrigue new and old fans alike. In 2015, the "Angels" have returned, and Shinji Ikari, a fourteen year-old child of the new Earth, is forced by his father Gendo--commander of the secret organization NERV--to pilot the monstrous biomechanical weapon called "Evangelion" to match the Angels' fearsome power... The Third Impact has come. As the unbelievably massive form of Ayanami towers over the Earth, the Instrumentality Project enters its last stages. While the world shudders in terror as it is engulfed in a sea of LCL, Shinji's consciousness merges with Lilith's, and he searches his memories for a final understanding of himself and the fate of humanity.

The Shinji Ikari Raising Project places the titular hero in the alternate universe briefly glimpsed in the final episode, and continues his adventures in a subtly altered Kyoto. What is the secret of the mysterious lady who runs the maid caf , but also happens to be a brilliant computer scientist? Nothing is quite what it seems, and it's up to our young heroes to decipher the riddle.

Now, it's important for a father to participate when it's time for a parent-teacher conference, but you're still going to feel a little nervous as the student -- or, if your father's name is Gendo Ikari, a lot nervous! While Shinji's girl troubles continue to be a public spectacle, Kaworu and Ritsuko are going behind his back... straight to SEELE. Love, comedy, and mystery continue in Volume 3!
