Never Talk Back to a Gangster Part 4 by Alesana Marie The most awaited ending is here! Published by Psicom Publishing Inc

Never Talk Back to a Gangster Part 1 by Alesana Marie "Lalabagin ang sarili kong batas kahit isang beses lang? Kung gagawin ko yan, lalabagin ko na rin ang isang rule na gusto kong labagin matagal na." "Ano'ng rule?" "Rule number 3: Never date your friend's girl." Published by Psicom Publishing Inc

Discusses different situations to help make important distinctions between people who are "safe" and people to avoid.

The adventure of a wholesale wild animal dealer.

In this delightfully witty, provocative book, literature professor and psychoanalyst Pierre Bayard argues that not having read a book need not be an impediment to having an interesting conversation about it. (In fact, he says, in certain situations reading the book is the worst thing you could do.) Using examples from such writers as Graham Greene, Oscar Wilde, Montaigne, and Umberto Eco, he describes the varieties of "non-reading"--from books that you've never heard of to books that you've read and forgotten--and offers advice on how to turn a sticky social situation into an occasion for creative brilliance. Practical, funny, and thought-provoking, How to Talk About Books You Haven't Read--which became a favorite of readers everywhere in the hardcover edition--is in the end a love letter to books, offering a whole new perspective on how we read and absorb them.

A deep look at the work of one of the most insightful and incisive critics of late 20th-century American culture.

Never Talk Back to a Gangster Part 3 by Alesana Marie Halos hindi ako makahinga sa sobrang bilis ng tibok ng puso ko sa pagharap sa taong hindi ko nakita ng lagpas kalahating taon. "Miracle." Hindi ako makapagsalita. Nakatingin lang ako sa kanya. Hindi ako makapaniwala na nandito na siya sa harap ko. Sa sobrang daming emosyon na nararamdaman ko hindi ko na alam kung ano ang mas nangingibabaw. Nanghihina ako. Parang anumang oras ay bigla nalang akong babagsak. Nandito ba talaga siya sa harap ko ngayon o nananaginip lang ako? "Timothy." Published by Psicom Publishing Inc

Ever been considered the silent one? The who spoke with a limit, only involved in small talk. I was that child, just like many others who had to define themselves, and realize I have a voice! Thoughts that had to be spoken, words that needed to be said, ears that have to hear me, and hearts that would agree on the many topics we barely discuss. Poetry became my life saver that delivered me from the dark side of quietness. In this book are poems that express the messages I kept in, the stories I seen that were untold, and passages that will encourage the next to use their voice and talent. Let's plant a seed that will empower a whole nation. "This book is dedicated to strong women in my life; Channie Reed and Bobby Hamblin." Thank You!

"Expertly blends reality and fantasy to explore what's behind love and loss, what it takes to heal." - Randy Ribay, author of National Book Award finalist Patron Saints of Nothing Acclaimed author Lilliam Rivera blends a touch of magical realism into a timely story about cultural identity, overcoming trauma, and the power of first love. Eury comes to the Bronx as a girl haunted. Haunted by losing everything in Hurricane Maria--and by an evil spirit, Ato. She fully expects the tragedy that befell her and her family in Puerto Rico to catch up with her in New York. Yet, for a time, she can almost set this fear aside, because there's this boy . . . Pheus is a golden-voiced, bachata-singing charmer, ready to spend the summer on the beach with his friends, serenading his on-again, off-again flame. That changes when he meets Eury. All he wants is to put a smile on her face and fight off her demons. But some dangers are too powerful for even the strongest love, and as the world threatens to tear them apart, Eury and Pheus must fight for each other and their lives. Featuring contemporary Afro-Latinx characters, this retelling of the Greek myth Orpheus and Eurydice is perfect for fans of Ibi Zoboi's Pride and Daniel José Older's Shadowshaper. A Pura Belpré Honor winner!

When sixteen-year-old Rashad is mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.
