Not in My Neighborhood: How Bigotry Shaped a Great ... I highly recommend Not in My Neighborhood. This well-researched book shines a spotlight on racial discrimination practices in housing in Baltimore (City and County). It's not just redlining. Anyone who is interested in becoming better informed about housing equity issues should read this book.

## How 'Not in My Backyard 'Became 'Not in My Neighborhood ...

Not in My Neighborhood! Sometimes we may be willing to support good works as long as they are not set up in our neighborhood. It may be true that property value plummets when someone opens a ..

The phrase "not in my backyard" has two distinct usages and categories of users. In some circumstances, it connotes the unwillingness of individuals to accept the construction of large-scale projects by corporations or governmental entities nearby, which might affect their property. Project proponents (which usually consist of the sponsoring corporation, construction labor unions and contractors, etc.) tend to use the phrase in this manner.

#### Not in My Backyard Phenomenon | sociology | Britannica

NIMN" additionally refers to legislative actions or private agreements made with the sole purpose of maintaining racial identity within a particular neighborhood or residential area by forcefully keeping members of other races from moving into the area. In that regard, "Not in My Neighborhood," by author and journalist Antero Pietila, describes the toll NIMN politics had on housing conditions in Baltimore throughout the 20th century and the systemic, racially based citywide separation it caused.

NIMBY - Wikipedia

Book Review: Not in My Neighborhood. Jul 30, 2012. Mortgage scams, redlining and racial and ethnic segregation are nothing new. In fact, they are as American as apple pie, as Antero Pietila, a reporter on the Baltimore Sun for more than 40 years, shows the decades leading up to World War I, during which immigrants poured into the U.S...

Baltimore is the setting for (and typifies) one of the most penetrating examination of bigotry and residential segregation ever published in the United States. Antero Pietila shows how continued discrimination practices toward African American sate in the tousing in the 20th century, dooming American tale is told through the prism of Baltimore, from its early suburbanization in the 1880s to the consequences of "white flight" after World War II, and into the first decade of the twenty-first century. The events are real, and so are the heroes and villains. Mr. Pietila's engrossing story is an eye-opening journey into city blocks and neighborhoods, shady practices, and ruthless promoters. -- Book jacket.

From the author of the internationally bestselling Strange Weather in Tokyo, a collection of interlinking stories that masterfully blend the mundane and the mythical—"fairy tales in the best Brothers Grimm tradition: na i f, magical, and frequently veering into the macabre white cloth near a tree; a schoolgirl who keeps doll's brains in a desk drawer; an old man with two shadows, one docile and one rebellious; a diplomat no one has ever seen who goes fishing at an artificial lake no one has ever heard of. These are some of the inhabitants of People from My Neighborhood. In their lives, details of the local and everyday—the lunch menu at a tiny drinking place called the Love, the color and shape of the roof of the tax office—slip into accounts of duels, prophetic dreams, revolutions, and out—Hiromi Kawakami creates a universe ruled by mystery and transformation. Policymakers who wish to deconcentrate assisted housing for low-income and special-needs households of various types met with vocal, well-organized opportunities and property values.
