Online Library

Periodic Table

Section 2

The purpose of this book is to give background for those who would like to delve into some higher category theory. It is not a primer on higher category theory itself. It begins with a paper by John

Online Library

Periodic Table

Baez and Michael
Shulman which
explores
informally, by
analogy and
direct
connection, how
cohomology and
other tools of
algebraic
topology are
seen through the
eyes of n -
category theory.

Online Library

Periodic Table

The idea is to give some of the motivations behind this subject. There are then two survey articles, by Julie Bergner and Simona Paoli, about (infinity, 1) categories and about the algebraic
