Jennifer Allan Hagedorn was a top producing real estate broker in Denver, Colorado for twelve years before writing her first book, Sell with Soul in 2007. She believes that the secret of success for real estate agents is not in aggressive marketing techniques or hard-core sales pitches, but rather in being competent in one's craft.

Estate Agents.

In *Sell with Soul* the author shares her rise from a nervous rookie agent to a successful real estate broker in Denver, Colorado. The book contains detailed instructions and checklists for many of the activities a new agent must master, such as building a contact database, learning the market, working with buyers, crafting marketing listings, and negotiating inspections. Allan also shares many stories from her own career that will help the new agent better understand her recommendations. *Sell with Soul* also speaks out against the status quo and asks agents to consider the needs of their clients before considering their own personal need for a paycheck, and counsels agents to welcome every learning experience, even when it does not result in a closed sale. Many new agents have told Allan how her book gave them hope that they could succeed without sacrificing their principles or changing their personalities.

The author shares insights from her successful real estate business in Denver, Colorado, emphasizing ethical methods of attracting new clients.

In 1928 Sydney, Australia, an Irish school girl finds new hope, after polio and personal tragedy, while playing cello in a string quartet. "The author's ... love for and extensive knowledge of music, fine arts and literature shines through" ... "The landscapes are vast and vivid, the seasons sensory and real, and the emotional journey heart-wrenching." ... "some of the most profound considerations on the meaning of suffering and understanding others, making allowances for their faults" - GoodReadingGuide.com Publisher description: Australia promised a fresh start for Lucy Straughan and her father when they fled war-torn Ireland. Instead, Lucy was stricken by polio. Having mastered the cello during her prolonged confinement, Lucy is now fifteen, lonely and full of questions. Suddenly she is thrust into a string quartet and meets quixotic Della Sotheby, hot-headed Pim Connolly and precocious Phoebe Raye. The experience transforms each of their lives as they forge friendships and share not a few family secrets. Set against the vivid background of 1920s Sydney, *A Distant Prospect* is an intimate, hilarious and ultimately deeply moving coming-of-age adventure told with a touch of poetry by a quintessentially Irish narrator.

December 1991. Beautiful American banker Alice Liddell has arrived in Moscow as it reels under the collapse of the Soviet Union and suffers a brutal war between mafia gangs for control of the violently changing city. Hired to oversee the privatization of Russia's legendary vodka distillery—the Red October—Alice soon finds her ideals compromised by its director Lev, a gangland member as dangerously seductive as he is ruthless. When a shadowy enemy vows revenge on Lev, and a series of bizarre serial murders erupts in the darkest corners of the city, Alice finds herself being drawn into the dangerously violent underground world of Moscow. "[A] dense, captivating novel of modern-day Russia . . . so fascinating that delighted readers will gulp it down like the novel's free-flowing, ubiquitous vodka."—Publishers Weekly "A potent crime thriller cocktail."—Library Journal

For centuries readers have struggled to fuse the seemingly scattered pieces of Donne's works into a complete image of the poet and priest.

In John Donne, *Body and Soul*, Ramie Targoff offers a way to read Donne as a writer who returned again and again to a single great subject, one that connected to his deepest intellectual and emotional concerns. Reappraising Donne's oeuvre in pursuit of the struggles and commitments that connect his most disparate works, Targoff convincingly shows that Donne believed throughout his life in the mutual necessity of body and soul. In chapters that range from his earliest letters to his final sermon, Targoff reveals that Donne's obsessive imagining of both the natural union and the inevitable division between body and soul is the most continuous and abiding subject of his writing. "Ramie Targoff achieves the rare feat of taking early modern theology seriously, and of explaining why it matters. Her book transforms how we think about Donne."—Helen Cooper, University of Cambridge

?In his groundbreaking first book, *Your Soul's Plan: Discovering the Real Meaning of the Life You Planned Before You Were Born*, Robert Schwartz (yoursoulsplan.com) brought the concept of pre-birth planning into the mainstream. In his second book, *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, he dove even deeper by examining the pre-birth planning of other common life challenges. Now, in his third book, *Your Soul's Love*, he explores the pre-birth planning of challenges related to romantic relationships or their absence: infidelity; impotence; raising children alone after the death of one's partner; being single; and celibate relationships. Working again with several gifted mediums and channels, and this time incorporating the *Between Lives Soul Regressions* he does as a skilled hypnotist, Schwartz brings forth great wisdom and love from "the other side" to explain why we plan such experiences before we are born. Through the stories in *Your Soul's Love* you can: -Cultivate greater love and respect for both your partner and yourself -Empathize more deeply with your partner -Forgive your partner and yourself for any pain caused, thus healing your relationship -See how your romantic relationship fosters your and your partner's evolution -Replace resistance and suffering with abiding joy and peace

Features inspirational stories offering words of wisdom, hope, and empowerment

Would you like to understand the deeper spiritual meaning of physical illness, parenting handicapped children, drug addiction, alcoholism, the death of a loved one, accidents, deafness, and blindness? *Your Soul's Plan* (which was originally published under the title *Courageous Souls: Do We Plan Our Life Challenges Before Birth?*) explores the premise that we are all eternal souls who plan our lives, including our greatest challenges, before we are born for the purpose of spiritual growth. Through compelling profiles of people who knowingly planned the experiences mentioned above, *Your Soul's Plan* shows that suffering is not purposeless, but rather imbued with deep meaning. Working with four gifted mediums, author Robert Schwartz reveals the significance of each person's life plan and allows us a fascinating look into the "other side." Each personal story focuses on a specific life challenge, organized by type for easy reference. Accessible both to those familiar with the metaphysical aspects of spirituality and to the general reader, the moving narratives that comprise *Your Soul's Plan* help readers awaken to the reality that they are transcendent, eternal souls. With this stirring book as a guide, feelings of anger, resentment, guilt, and

victimization are healed and transformed into acceptance, forgiveness, gratitude, and peace. Robert Schwartz is also the author of *Your Soul's Gift: The Healing Power of the Life You Planned Before You Were Born*, which explores the pre-birth planning of spiritual awakening, miscarriage, abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. There's also a chapter about the pre-birth planning we do with our future pets. Robert Schwartz is a hypnotherapist who offers general Spiritual Guidance Sessions, Past Life Soul Regressions, and Between Lives Soul Regressions. Visit Robert online at www.yoursoulsplan.com.
