to get off to a quick start with Windows 10: 1. Setup your taskbar for quick access: Pin your most frequently used apps to the Windows taskbar. 2. Organize your Start menu: Pin the other apps which you use to the Start menu, unpin the apps you don't use, and arrange the tiles into groups to help you find them faster. 3.

Quick Start Guide to Windows 10

A quick start guide or quickstart guide is in essence a shortened version of a manual, meant to make a buyer familiar with his or her product as soon as possible. This implies the use of a concise step-based approach that allows the buyer to use a product without any delay, if necessary including the relevant steps needed for installation. A quick start guide, or QSG for short, focuses on the most common instructions, often accompanying such instructions with easy-to-understand illustrations. Th
